

EVENTS

Farewell Function - ADHIGAMAN - 2011

Dronacharya Group of Institutions, Greater Noida, Celebrated the Farewell Function, “**Adhigaman – 2011**” on 7th May 2011. Chairman, Dr. Satish Yadav graced the occasion with his prestigious presence. The function started with the lightening of lamp and the blessings of Goddess of Knowledge, Maa Sarswati. Principal, Prof. (Dr.) R.N. Sharma addressed the students and extended his best wishes for their bright future.

Students exhibited their talent in the form of colorful cultural programme. The programme reflected different shades of Indian culture in the form of “Bhangra Beats”, “Rajasthani Folk”, etc. Some young poets of Dronacharya show-cased their literary talent by reciting their poems.

Students thrilled the audience with their performances

The Chairman encouraged the meritorious students, best faculties of different departments and non-teaching staff by felicitating them.

In Applied Sciences and Humanities Department Dr. Abhishek Swami was adjudged the best Faculty while in Mechanical Department the award went to Mr. T. Botichandar. In the CSE and IT Department the award was given to Mr. Rajesh Kumar while in ECE it was Mr. Vinod Kumar who was felicitated. Each received a cheque of Rs. 51000/-and a Letter of Appreciation.

Among the Non-Teaching / Supporting Staff, the award went to Mr.Manoj Kumar – Infrastructure, Mr.Virender Kumar – Administration and Mr.Pankaj Singh – Lab. Attendant.

Faculty / Staff Winners receiving their award from the Chief Guest

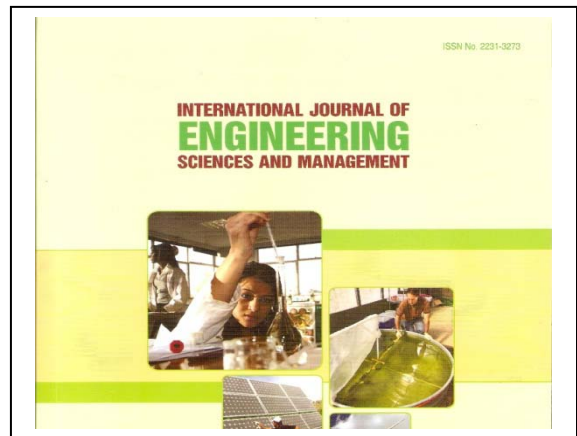

Among the students, Lija M. Jose from ECE , Garima Choudhary from CSE, Nitesh Dewani from IT, Bhole Shankar from MIE and Tarun Kumar Gaur from MBA Department were felicitated for being adjudged the best students.

Chairman, Dr. Satish Yadav shared his experience and noble thoughts with students and blessed them for their successful career ahead.

Student Winners receiving their award from the Chief Guest

Launch of “International Journal of Engineering Sciences & Management”

Principal, Prof. (Dr.)R.N.Sharma and Chairman, Dr.Satish Yadav with the inaugural issue of the Journal

Techfest 2011

Selling Mantra: The theme of this program was “People Buy People”, the sales person’s mantra which in turn supports the belief that it is not about sales but about relationships. Through this program the student were encouraged to participate as a sales person to practically learn sales and marketing skills.

Business Quiz

The objective of this program was to teach the participants the insight into fact of the Business World. The Business Quiz was stuffed with interesting and informative multiple choice questions covering the full spectrum of business topics.

Ad Mad Show

This program is basically the activity of students to create Radio and TV ads. Through this program the students were provided a platform to showcase their talent as to how well they can generate ideas.

Presentations

Presentation is the practice of showing and explaining the content of a topic to an audience or learner. The students were provided with an opportunity to deliver their presentations of the current topics. The objective of this activity was to provide a platform to students to improve their presentation skills and to learn power public speaking.

Chanakya Neeti

The key objective of this activity is “Mantra of Success”. The students showed their skills on Idea generation. The extract of this was that ‘**Never share your business secrets with anybody**’. The students demonstrated the distinguished mantras of success.

Management Games

As we know team building activities exercises team work. Under this activity the students were provided with an opportunity to demonstrate their talent through team work.

Brand Antakshari

The objective of this activity was to make students familiar with various brands in the market. The students discussed about various brands under the game play. The students were excited during the entire game and enjoyed themselves.

SEMINAR

STRESS, SELF & LIFESTYLE MANAGEMENT

A pioneer session for 01 day on ‘**Stress Management, Self-Management& Lifestyle Management**’ was organized by **Atma Jagriti Research, Training & Healing Foundation** under the leadership of **Dr. Om**.

Faculty members from all Departments including lab Instructors attended this session. Salient features of the programme included:

- 1) How to achieve holistic well-being?

- 2) How to heal ourself& the world?
- 3) How to increase our performance in challenging conditions?

Healing is a multi dimensional world. A healthy person is the owner of the healthy body, a sound emotional state and a peaceful mind. Whenever, a person deviates from this state, the physical body manifests it as a disease. With the help of alternative healing along with the traditional medicines, we can eliminate the root cause of the disease bringing the person back to the state of health.

In this session, various alternative healing methods were discussed and practiced which would help people to restore back to a mental healthy state.

Chanting of the holy word 'OM' along with its physical significance was explained to the participants.

A free Pulse Check of individuals was carried out on the basis of which all individuals were given initial advice on diet.

Another Activities:

1. DGI, Greater Noida conferred with Organizational Membership of **Institution of Electronics & Telecommunication Engineers**
2. DGI, Greater Noida conferred with Organizational Membership of **Advanced Computing and Communications Society**
3. DGI, Greater Noida established **IETE Student's Forum**
4. Successful conduction of **Bharat Earth Movers Limited** Online Test on 23rd July, 2011.

Technical Quiz Competition

The highly competitive professional world of today demands engineers to be all rounder. Keeping this in mind Department organised an Inter Department **Technical Quiz** among students on 20th August, 2011 (Saturday). The response of the students was overwhelming and after stiff competition, Team 2 (Hariom and Ankit from 2nd year, Vikas and Vaishali from 3rd year and Deepak from Final Year) emerged winners out of 11 teams. We plan to organise more of such events in near future to bring out the best in our students under the supervision of respective department heads and faculty members.

ORIENTATION PROGRAMME

The Orientation Programme for B. Tech 1st year students of 2011-12 Batch was held on 23rd August 2011 in the Seminar Hall. The students from various disciplines were welcomed by Hon'ble Principal, Prof. R. N. Sharma.

The Orientation Programme was coordinated by Prof. V.R. SOOD, HOD - Applied Sciences in which she highlighted various traits required for a technical student. They were also apprised of certain values which would boost their morale and assist them in becoming better individuals.

The students were taken around the College Campus under the guidance of their class-coordinators to all the Departments, various labs, Library and Canteen etc.

FRESHERS PARTY (ABHINANDAN-2011)

DRONACHARYA GROUP OF INSTITUTIONS GREATER NOIDA organized a welcome function "*Abhinandan 2011*" on 16th September, 2011. On this occasion, new entrants were encouraged to hit the target and the ragging free campus made them enthusiastic.

Chief-Guest, Hon'ble Dr. SatishYadav, Chairman, Dronacharya Group of Institutions inaugurated the function by Lighting the Lamp. Extending heartiest welcome to brilliant and ambitious aspirants, he shared his belief in amelioration, escalation and exaltation.

The eminent scholar, worthy and dedicated **Director, Prof. R.N. Sharma** also addressed the students who have manifested an unflinching faith in *DGI, Greater Noida*. He promised that following the tradition, the students will be viewed with admiration and compassion at college campus.

On this auspicious occasion, the cultural events were organized by **Dronacharyans**. A confluence of music, dance, dramatics and community lunch made the function unforgettable.

The Hon'ble Chairman distributed cash prizes & certificates to the students for their excellent achievements in the merit list of University. The Judges selected and honoured **Mister & Miss Fresher 2011**. The Function was closed with a vote of thanks.

WORKSHOP

Wipro Technologies has collaborated with Dronacharya Group of Institutions, Greater Noida, for its **Mission10X Faculty Empowerment Workshop** an idea, which aims to augment employability of Indian graduate engineers. The plan will encourage systematic changes to existing teaching-learning patterns in engineering education. The programme involves capability building workshops for faculty from various institutions in NCR region.

The Wipro Mission10X Programme started on 27th September 2011. Wipro trainers, Ms. Kalpana Arora and Ms. Gargi conducted the session on 27th, 28th and 29th September on HITS (High Impact Teaching Skills), Creating Positive First Impression, Simplifying Complex Information, Communication with Greater Impact, Responding to Difficult Classroom Situations, Inspiring Students to Accept change, Howard Gardner's Multiple Intelligence Theory, Benjamin Bloom's Taxonomy and Introducing & Demonstrating Alternate Teaching methods.

This Mission10X workshop has exposed the faculty members to Learner-centric mode of teaching rather than the traditional teacher-centred mode of teaching with the main objective of training the faculty members to transform the young students into employable assets in the corporate world. The main highlights of the workshop is to enable the faculty to improve effective presentation skills, introduce them to new learning and teaching practices to stimulate critical thinking, encourage team work and use team approach to problem solving among students, inculcate self-learning skills among students, foster and develop intra and inter-personal relationships and above-all to build self-esteem in students.

This program was a layered set of workshops conducted in 3 phases exclusively for engineering teachers. This will help them to get certified in 2 top international certifications namely:

1. The Dale Carnegie Certification for High Impact Teaching Skills.
2. Mission 10X International Certificate for Teaching and Learning.

Wipro Mission 10X Faculty Development Program

Mission10x – A Faculty Empowerment initiative by WIPRO Technologies “Mission to increase employability of graduates by 10 times or multiples of 10 times” concluded on 1st October 2011.

This program was oriented towards building continuous professional development of faculty of engineering education. The program enabled the faculty to reach out to their students intellectually and emotionally and made a significant difference in their students' learning thereby increased and enhanced visibility of the institution as a whole.

The Participants were made to have a relook in the attitude with which they deal with students and all of them reaffirmed their commitment to the noble cause of the profession they held. They also assured to provide a paradigm shift in their classroom from Teacher Centric to Learner Centric. The Participants were awarded with Dale Carnegie Certificate and ISTE Certificate for this workshop.

On the last day, **Dr.Satish Yadav, Hon’ble** Chairman, Prof. R.N. Sharma, Director and Mr. Aditya Sharma, Academic Relationship Manager, Wipro Mission 10X addressed the participants and gave away Certificates to all the participants.

Dr.Satish Yadav addressing the gathering

Mr.Aditya Sharma sharing the philosophy of Mission 10 X

Participants receiving their certificates

Mr.Amit Sharma

Mr.Ashwani Kumar

Dr.J P Dudeja

Guest Lecture

A Guest Lecture was organized by the Department of Mechanical Engineering for the Pre-Final and Final Year students of Mechanical Engineering on 3rd October. The Resource Person was **Mr. Nitin Dharmadhikari DGM, (Supply Chain management)** from **Control & Switchgear**. The topic of the lecture was :

“Employers perception and Expectation towards Engineering Graduates”.

It concluded with a question answer session. The students were very participative. The lecture was extremely informative and the students have benefited immensely.

Mr. Dharmadhikari has agreed for accepting the students for industrial visits and also for placements.

Industrial visit

An Industrial visit to **Elite Engineering Pvt. Ltd** was organized for the students of Final Year Mechanical Engineering students on 14th October. The Company manufactures injection molding components. It also supplies various parts of air conditioning machines, refrigerators, washing machines etc to companies like Samsung and LG electronics. During the visit students had an opportunity to interact with the Chairman, **Mr A.D. Pandey** who alongwith **Mr. Manish Tyagi**, another partner of the organization, delivered a lecture on injection moulding, NC, CNC machines etc.

Entrepreneurship Orientation Program

Entrepreneurship Orientation Program was organized for the students on 4th of October, 2011. The objective of conducting the program was to make the students aware of what entrepreneurship is all about.

The session began with the welcome of **Ms. Kalpana Sinha, Senior Consultant-National Entrepreneurship Network** and our Respected Director, **Dr. R. N. Sharma** whose encouraging words and valuable insights enthralled the audience. Ms. Kalpana Sinha shared her vibrant ideas about entrepreneurship and the scheme available to the students. Dr. Dudeja further made the environment very light yet highly motivational with his tremendously enthusiastic presentation. The session ended with a vote of thanks by Ms. Megha Gaur.

Workshop on “Leveraging students towards Entrepreneurship”

A workshop on **“Leveraging students towards Entrepreneurship”** was organized for the students on 14th of October, 2011. The objective of conducting the program was to make the students aware of what entrepreneurship is all about and the scheme available for starting a venture. The session proved to be a real motivator for the students.

Business Models & Business Plan

A session on **“Business Models & Business Plan: Getting it Right”** was organized for the students on 21st of October, 2011. The objective of conducting the program was to make the students understand what a business model is all about and how to prepare a good business plan.

The session gave a perfect insight of a business model to the students.

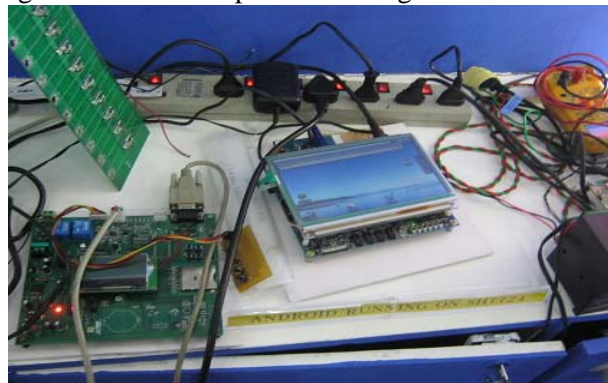

National Entrepreneurship Network E Leader Program 2011

MBA and B.Tech students participated in the NEN E Leader Program 2011 at Jaipuria Institute of Management Noida on 05/11/2011 with full excitement and energy. It was a great learning experience to them.

Electronica/ Productronica Visit

Students of ECE 8th Semester visited **Electronica/Productronica** with **Mr. Manuj Chauhan, Asst. Professor- Dept. Of Electronics & Communication Engineering**. The main aim towards the visit was to give an insight to the electronics students about various companies and their products. The students got an opportunity to interact with the company professionals increasing their technical and communication skills. They came to the platform of globalization in the technical world. A paradigm shift occurred on the students thinking of the trait they are studying and the future aspect of moving in the same trait.

ADVANCED WORKSHOP BY WIPRO MISSION 10X

An Advanced Workshop on Faculty Empowerment was conducted by Wipro's Mission 10X at Dronacharya Group of Institutions on 10th and 11th January 2012. This workshop was in continuation to five day workshop held during September 2011 by Wipro Technologies at Dronacharya

Group of Institutions, Greater Noida. It was oriented towards documenting the faculty classroom initiations and obtaining International Certifications too.

This comes as a partnering initiative between Dronacharya Group of Institutions and IT major Wipro which conducted skill-development programme through its 'Mission10X'. "Effective teaching-learning process is important in engineering colleges for enhancing the employability of our graduates," said **Dr.R.N.Sharma, Director, Dronacharya Group of Institutions**. The faculty have been groomed with high impact teaching skills to change teaching outlook in classrooms. While the faculty is able to unleash their potential, Mission10X also enables a teacher to have the attention of students for a longer time in classroom. This innovative programme fills the gaps in engineering teaching and thereby leads to well empowered students.

Mr. Ashok Kumar, Faculty Trainer, Wipro Technologies conducted the workshop.

Mission10X has recently launched their faculty community portal www.mission10x.com to enable healthy interaction of faculty across the country by sharing their experiences of using Mission10X Learning Approach.

"3RD VISION RAJASTHAN" MEGA SCIENCE EXHIBITION

Dronacharya Group of Institutions, Greater Noida participated in a mega exhibition on Science and Technology, 3rd "Vision Rajasthan 2012". The exhibition was held at Birla Auditorium, Jaipur *during 15th to 17th January, 2012*. *Inaugurating* the event, Prof. B. L. Sharma, Vice - Chancellor Rajasthan University, Rajasthan emphasized that technology is indeed a key driver of competitive growth in today's integrated global economy. Many Government organizations from different fields such as research and development, agriculture, horticulture, etc. were among the participants. DGI was appreciated by all participants and visitors for the innovative projects, The Spokeless Bicycle and Forced Speed Control.

Mayor Of Jaipur, Smt. Jyoti Khandelwal lauded the work done by Maninder Singh and Gaurav Dixit, students from Mechanical Engineering Department, in developing the Spokeless Bicycle. She awarded them with a trophy for the Best Innovative Project in the Research & Development field by students.

BLOOD DONATION CAMP

On 18th Jan. 2012, a **Blood Donation Camp** under the aegis of **Rotary Blood Bank** was organized at **DGI Greater Noida**. **Dr. Tejinder Singh** of Rotary Blood Bank spread the message that life is saved by virtue of blood donation. Safe blood is not available to the needy at the right time and thus a lot of casualties take place. He claimed that certain specific studies are of this opinion that blood donated by one percent of total population of a particular country may be sufficient to take care of primary blood related demands of that country.

National Voter's Day- National Voter's Day was celebrated at Dronacharya Group of Institutions, Greater Noida on Tuesday, 25/01/2012. It was celebrated to encourage young voters to register and participate more in the election process.

The students took an oath to contribute in the election process. "India is globally popular since it is the single largest democratic country in the world. Hence, as the citizens of the country, "we all should feel proud," remarked **Prof. (Dr.)R.N.Sharma, Director, DGI**.

The students also attended the rally held at the Knowledge Park ground where the **District Magistrate, Mr.Hridesh Kumar** addressed the gathering.

SARASWATI PUJA

Saraswati Puja was celebrated on Jan. 28, 2012 by **DRONACHARYA GROUP OF INSTITUTIONS GREATER NOIDA**. This festival glorifies the goddess Saraswati, patron of knowledge, music and the arts. This celebration coincides with the festival of **Basant Panchami**, which signifies the end of the winter season, and the beginning of spring.

Entrepreneurship Orientation Programme

National Small Industries Corporation Ltd. (NSIC) visited DGI on 24th Jan, 2012 for Entrepreneurship Orientation Programme for the students. The resource persons, Mr. Chandan Kumar Singh- Deputy Manager, Marketing and Mr. Devendra Kumar Gautam – Asstt. Manager, Technical Services conducted the workshop.

Clothes Donation

A step towards social responsibility was taken by the students of **MBA II** year in the form of an activity of collecting warm clothes for the weaker sections of society through an **NGO** named **Vastradaan** located at Saket, New Delhi which is patronized by an IPS Mr. B.L. Vohra. The proceeds were sent to the **NGO** for further distribution to the needy and actual beneficiaries. The drive was carried on for over a week from **22nd January, 2012 to 31st January 2012**. Outstanding support was provided by the faculty and the students of **Dronacharya Group of Institutions, Greater Noida** in terms of donating warm clothes. It was a great humanitarian effort and this activity further reinforced in the participatory students the core human values of sharing, caring and social responsibility.

SEMINAR / WORKSHOP

Department of Information Technology organized a seminar on “**Software Testing**” for II and III year students on 21st Feb, 2012. **Mr. Atul Rajput, Marketing Manager** and his team members from **DUCAT** made students aware about the importance of software testing and its various tools.

To make students familiar about the various financial alternatives available, a workshop on “**Financial Planning for Young Investors**” was conducted by **Mr. Mukul Jain, Financial Education Resource Person and trainer SEBI** on 2nd of February, 2012.

A Seminar on “**Cloud Computing**” was organized by Department of Information Technology on 20th January 2012. It was conducted by **Subham Agnihotri, IT-Final year student**. Students of CSE and IT keenly participated in the seminar. In his address, Shubham Agnihotri said, “Cloud Computing is the term coined for the delivery of computing as a service rather than a product, whereby shared resources, software, and information are provided to computers and other devices as a metered service over a network. It is used to describe a new class of network based computing that takes place over the Internet, basically a step on from Utility Computing”.

A one day workshop on “**Embedded Systems and VLSI Design**” was organized by **CETPA InfoTech Pvt. Ltd.**, Noida on 15-02-2012. **Mr. Vikash Kumar, Associate Manager, Corporate Relations CETPA** visited the institute along with his team members who shared vital informations on Embedded Systems and VLSI Design.

Bosch Automotive visited our College on 24th Feb, 2012 for a Seminar on “**Importance of Training Modules for Automotive Industries**”. **Mr. Parag Kavthekar, Regional Trainer (North)** and **Mr. Dilmeet Singh, Territory Manager** were the resource persons. They highlighted the growth achieved by Indian Automotive Industry and Auto components Sector.

CSE and IT students, **Shubham Agnihotri, C.Shalini, Neha and Ankur Sharma** attended the **APRICOT 2012** Seminar, “**Future of Internet**” held at **Hotel Ashok, New Delhi**. The seminar dealt with proper enhancement and utter development of Internet in terms of feasibility, competency and affordability.

Industrial Visit

Final year students of **Computer Science and Information Technology** visited **Infosys, Chandigarh campus**, where students got to see the working culture of industry. Lectures were delivered by highly experienced engineers to make them aware of the advancements in technology.

Infosys empowers the youth by providing them with hands-on experience in Information Technology through **SPARK**. This program offers a learning environment that help students to realize their potential and assess their industry-preparedness. The senior Infosys employees helped students to identify their hidden talents and awaken their potential to excel and expose them to the current trends in the IT industry.

Industrial visit of Mechanical VI semester students was organized on 10th February 2012 to **UNISPARES Company Ltd. Noida**. The students were briefed by the **MD, Mr. P. S. Chauhan**. The students took keen interest in the CAD/CAM operations and the programmable functions. Packing operations of machine parts to be dispatched to Germany were also explained.

Students from **MBA & MCA** went on an industrial visit to **Surya Foods & Agro Limited, A-1, Udhyug Vihar ,Greater Noida** on **16-02-12**. Mr. Tyagi, General Manager of the production plant gave a brief introduction about the plant.

The month of March was a filled with happenings in the campus. It saw a number of workshops, training programme, students participating in events at colleges and above all **Tech fest, Cultural Fest, Annual Sport Meet and Environment Day, Industrial Visit, Guest Lecture, Workshop & Seminar ,Placement activities etc.**

TECH FEST 2012

The **DGI TECH FEST 2012** was celebrated with a lot of fanfare at the campus. It was inaugurated by **Mr. Rajeev Sharma, CEO Adani Gas Ltd.** on 22nd March. The vivacious three day event saw participation from several colleges across NCR. **Tech fest 2012** was organized on the theme “**Mother Earth**” and the related social responsibility that is the need of the hour.

Events like **Online Gaming, Treasure Hunt, Quiz, Tech-Quilla, Extmpore, Technovision, Design Pro, CAD VENTURE, “Techno-Vision”** the Technical Paper presentations, and many more events were held.

Cultural events like **Rangoli, Extempore, Collage making and Poster Making** also saw tremendous response across all branches of engineering undergraduates.

Annual Sports Meet saw students participate in events like **Lemon Spoon races, Volleyball, Tug-of-War, Table Tennis, Chess, Badminton, Carrom, Pool, Billiards** and several other events.

The festivities came to a close on 24th March 2012, with the Prize Distribution ceremony, presided over by **Hon'ble Chairman Sir, Dr. Satish Yadav**. In his address, he stressed upon the importance of team spirit to be inculcated in all walks of life. He congratulated the winners and participants of various events.

Environment Day

The **Environment Day** awareness campaign was undertaken by the **Chairman Dr. Satish Yadav** with plantation of a sapling on 24/03/2012. Working towards a greener society, **Dronacharya Group of Institutions, Greater Noida** has taken up tree plantation in their campus ahead of the **World Environment Day** on 5th June.

Industrial Visit:

- Students of **ECE VI** semester visited **MSME Exhibition IIA Expo Center Noida** on 16th March, 2012.
- Industrial visit of IV semester **Mechanical Engineering** students was organized on 1st March 2012 to the following three core companies at Greater Noida:-
 - (a) **Air Tech Industries**
 - (b) **D.B.P. Engineering Works**
 - (c) **Inno Color & compounds Ltd.**

Workshops:

- One day workshop on **PLC AND SCADA** was organized by **Electronics and Communication Engineering Dept.** on 14th March, 2012. It was conducted by **Mr. D.K SINGH** and **Mr. SAURAV**, Trainer - **SOFCON**.
- Department of **ECE** has organized a **Seminar cum Workshop** on **Embedded System & Robotics** by **White Swan Consulting Group (WCG) Robotics Lab** on 20th March, 2012.

GUEST LECTURE

- A guest lecture on **“Solar Photovoltaics - Prospects and Viable Solution to Global Warming”** was conducted by **Dr. C.V. Kannan, AGM - Moser Baer Photovoltaic Ltd** on **16th March, 2012**. for Mechanical Engineering students.
- A guest lecture on **“Nano Technology”** was conducted by **Dr. Ashok Kumar, Director, NTR E, Prof. of University of South Florida, USA**, on **19th March, 2012**. for Mechanical Engineering students.

ADHIGAMAN 2012

The staff and students of Dronacharya Group of Institutions, bid farewell, to the outgoing batch of 2012, in an emotionally charged cultural extravaganza **“Adhigaman 2012”** held on **23rd April**. The students of first, second and third year played perfect hosts to their seniors, who are set to leave the college in a few days.

The function was presided over by **Air Marshal P S Bhangu- PVSM, AVSM, VM (Retd)** who graced the occasion as the **Chief Guest** together with **Guest of Honour, Dr. Satish Yadav, Chairman, Dronacharya Group of Institutions**.

The event saw enthusiastic participation from all branches and it was a perfect blend of culture and modern trends, drawn from the huge pool of talent, melody of songs, foot tapping dance performances, and emotional speeches as the juniors performed to bid the final year students a farewell. The students of the outgoing batch were visibly moved by the warm reception they received from their juniors. Some of them also got emotional and recollected all memorable moments they had spent in their college days.

The merit holders from all branches were awarded by the Chief Guest, as the audience cheered for them. In his address to the students, **Air Marshal P S Bhangu** congratulated the passing out batch and stressed the importance of punctuality in all aspects of life, along with physical fitness and spirituality.

The event came to an end with distribution of mementoes to all students of the passing out batch.

CONSULTANCY PROGRAM

Technical and Management Consultancy Certification Program was conducted at **DGI, Greater Noida** under the aegis of **Consultancy Development Centre, Ministry of Science & Technology, Govt. of India.**

The sessions were conducted on **30th March, 07th April, 13th April, 20th April and 21st April 2012**. The resource persons were eminent consultants who have been approved by **Consultancy Development Centre** to conduct the program. They included :

- 1.**Mr.Navinender Gupta** - Former Executive Director, Mecon India Ltd
- 2.**Mr.Satish Sehta** - Senior Manager, Tata Consulting Engineers
- 3.**Mr.D.Vasudevan** - Executive Director, Consulting Business, Albion Info Tel Pvt Ltd
- 4.**Ms.Monika Agarwal** –Senior Faculty,Sri Sanskar School of Etiquette and Career Development Pvt Ltd
- 5.**Dr.S.N.Nandi** - Former DDG,NPC; Management Consultant
- 6.**Mr.Sudhir Dhawan** - CEO, Aether Engg Solutions
