VISION

Instilling core human values and facilitating competence to address global challenges by providing Quality Technical Education.

MISSION

M1 - Enhancing technical expertise through innovative research and education, fostering creativity and excellence in problem-solving.

M2 - Cultivating a culture of ethical innovation and user-focused design, ensuring technological progress enhances the well-being of society.

M3 - Equipping individuals with the technical skills and ethical values to lead and innovate responsibly in an ever-evolving digital landscape.

Editor's Desk

"Action is the foundational key to all success."
— Pablo Picasso

Dear all
Greetings from the Editorial Desk!

June 2026 at Dronacharya Group of Institutions, Greater Noida, was a month filled with learning, innovation, achievement, and meaningful engagement. The campus came alive with a diverse range of academic, technical, cultural, sports, and social initiatives that encouraged students to learn beyond the classroom.

From hands-on workshops, hackathon, academic achievements, research participation, and technical activities to sports events, cultural celebrations, and social initiatives, the month provided students with valuable opportunities to explore their potential, strengthen their skills, and gain practical exposure.

The achievements of our students across academics, innovation, robotics, sports, and national-level platforms reflect the institution's continued commitment to excellence, experiential learning, and holistic development. These accomplishments not only celebrate individual success but also highlight the spirit of teamwork, creativity, perseverance, and continuous learning fostered across the campus.

As we look ahead, we remain committed to creating opportunities that inspire our students to learn, innovate, lead, and contribute meaningfully to society. Through a balanced blend of academic excellence, practical learning, innovation, and co-curricular engagement, we continue to prepare our students for the challenges and opportunities of a rapidly evolving world.

Overall, June 2026 stands as a testament to the institution's unwavering dedication to fostering a well-rounded educational ecosystem—one that seamlessly integrates knowledge, innovation, values, and a global outlook. As the academic journey progresses, such initiatives continue to inspire students to excel, innovate, and contribute meaningfully to society.

Training Sessions in Value-Added Labs

1 June, 2026

Regular training sessions are being conducted in the Value-Added Labs of the respective departments, providing students with hands-on exposure to industry-relevant tools, technologies, and practical skills. These sessions complement classroom learning by promoting experiential learning, technical proficiency, problem-solving abilities, and career readiness.

World Environment Day 2026 | "Ek Ped Maa Ke Naam" Plantation Drive

5 June, 2026

Dronacharya Group of Institutions, Greater Noida, celebrated World Environment Day 2026 with an inspiring "Ek Ped Maa Ke Naam" Tree Plantation Drive, organised by the National Service Scheme (NSS). The initiative promoted environmental sustainability, green living, and a strong sense of social responsibility among students. The event was graced by Mr. Lavesh Kumar Sisodia, District Backward Class Welfare Officer, Gautam Budh Nagar, who encouraged students to actively participate in environmental conservation and contribute towards building a cleaner, greener, and healthier future.

The plantation drive reflected Dronacharya's commitment to environmental stewardship, community engagement, and sustainable development, while inspiring students to become responsible citizens and active contributors to nation-building.

Plant a Tree Today. Nurture Life. Protect the Planet for Tomorrow

Expert Talk on Project Funding Schemes for Faculty Members

5 June, 2026

The Research & Development Cell (RDC), Dronacharya Group of Institutions, Greater Noida, organised an expert talk on "Project Funding Schemes for Faculty Members of Technical Institutions'. The session featured Dr. Anuj Kumar Sharma, Director, Kalam Centre for Innovation and Incubation of Startup, AKTU Foundation, Lucknow, as the expert speaker and was attended by 40 faculty members. Dr. Sharma shared valuable insights into research funding opportunities, grant acquisition, and effective project proposal development. He discussed funding avenues offered by SERB, AICTE, DST, CSIR, and StartinUP, covering eligibility, proposal submission, and key factors influencing successful grant applications.

The session also highlighted essential elements of a strong research proposal, including problem identification, objectives, Technological Readiness Level (TRL), budget planning, resources, and expected outcomes. Faculty members were encouraged to pursue interdisciplinary research, strengthen industry-academia collaboration, and address real-world challenges through funded projects.

10-Day Faculty Development Program on IIoT & Industry 5.0

1-11 June, 2026

The Department of Electrical & Electronics Engineering, Dronacharya Group of Institutions, Greater Noida, in collaboration with NIT Patna, successfully organised a 10Day Faculty Development Program (FDP) on "Industrial Internet of Things (IIoT) and Industry 5.0" from 1st–11th June 2026. Organised under the aegis of the Electronics and ICT Academy, Phase-II, NIT Patna, with the support of MeitY, Government of India, the FDP focused on strengthening faculty expertise in emerging industrial technologies, industry-relevant skills, research, and innovative teaching practices. The programme provided valuable exposure to the evolving landscape of IIoT, smart technologies, automation, and Industry 5.0, empowering faculty members to integrate emerging technologies into teaching, research, and professional practice.

Despedida 2026 | Celebrating the Journey of Future Engineers

7 June, 2026

The Departments of ECZ, ECE & EEE, Dronacharya Group of Institutions, Greater Noida, hosted Despedida 2026, a memorable farewell celebrating the graduating batch. The event brought together students and faculty for an evening filled with music, laughter, awards, and heartfelt moments. Celebrating their achievements and cherished memories, the occasion marked the beginning of a new chapter as the graduates step into the professional world carrying the knowledge, confidence, friendships, and values of the Dronacharya family.

International Yoga Week 2026 at DGI Greater Noida | Empowering Healthy Minds, Strong Bodies & Positive Living

14-21 June, 2026

Dronacharya Group of Institutions (DGI), Greater Noida, through its NSS Units, successfully organised International Yoga Week 2026 from 14th–21st June 2026, joining the nationwide celebration of yoga and promoting the importance of health, wellness, and mindful living. The week-long initiative encouraged students, faculty, and staff to embrace yoga, physical fitness, mental well-being, and positive living as essential components of a healthy lifestyle. Through such initiatives, DGI continues to promote holistic development, healthy living, and social responsibility, inspiring the campus community to make wellness a way of life.

NPTEL SPOC Felicitation Program 2026 at IIT Kanpur

27 June, 2026

Prof. Mukesh Kumar Bhardwaj, SPOC, NPTEL Local Chapter, Dronacharya Group of Institutions, Greater Noida, attended the NPTEL SPOC Felicitation Program 2026 held at Indian Institute of Technology (IIT) Kanpur. The programme brought together NPTEL Single Point of Contacts (SPOCs), faculty members, and representatives from higher educational institutions across the country, providing opportunities for academic interaction, knowledge sharing, and networking. The sessions highlighted the latest NPTEL courses, Faculty Development Programs, workshops, conferences, and certification opportunities for faculty and students. The programme also emphasised the integration of NPTEL resources into the teaching-learning process and the importance of continuous professional development through quality online education.

DRDO Summer Internship Program 2026

Dronacharya Group of Institutions, Greater Noida, proudly congratulates Shivam Maurya (CSE, Batch 2023–2027) on his selection for the Summer Internship Program 2026 at DRDO (Defence Research and Development Organisation), Ministry of Defence, Government of India. Shivam has secured this prestigious opportunity at DIPAS (Defence Institute of Physiology and Allied Sciences), DRDO, a leading defence research establishment engaged in advanced scientific research and innovation. This achievement reflects his technical excellence, research aptitude, and dedication to learning, while highlighting DGI's commitment to fostering research, innovation, experiential learning, and industry-oriented education.

First-Year Students Present Research Paper at ICMSE-2026

Four first-year students of Dronacharya Group of Institutions, Greater Noida — Aman Kumar (ECS), Saksham Kapoor (ECS), Mouli Das (ME), and Krish Deval (ME) — successfully presented their research paper titled "An Overview of Thin Film Coating like CrN, DLC, TiN and AlCrN" at the 5th International Conference on Material Science and Engineering (ICMSE-2026) organised by NIT Jalandhar. The students presented their research work on an international academic platform under the mentorship of Dr. Shailesh Kumar Singh, demonstrating their early engagement with research, technical learning, and innovation. The achievement reflects DGI's commitment to fostering a research-oriented culture and encouraging student to explore emerging technologies from the early stages of their academic journey.

DGI Student Secures Ph.D. Admission at IIT Hyderabad

Heartiest congratulations to A. Nivetha, ECE, Batch 2022–2026, on securing admission to the Ph.D. Programme 2026 in Electrical Engineering at IIT Hyderabad. This achievement reflects her academic excellence and commitment to pursuing advanced research. This outstanding accomplishment reflects her academic excellence, research aptitude, dedication, and passion for innovation.

Summer Internship Program 2026 at the Defence Research & Development Organisation (DRDO)

Heartiest congratulations to Jiya Pandey & Md. Kasif Azad , Department of Computer Science & Engineering (CSE), on her selection for the prestigious DRDO Summer Internship Program 2026 at the Defence Research & Development Organisation (DRDO), Ministry of Defence, Government of India. This outstanding achievement reflects her dedication, technical expertise, and commitment to innovation.

Semester Long Internship 2026 at FOSSEE, IIT Bombay!

Heartiest congratulations to Amisha Yadav (CSE | Batch 2022–2026) on her remarkable selection for the Semester Long Internship 2026 at FOSSEE (Free/Libre and Open Source Software for Education), IIT Bombay. This prestigious internship provides an opportunity to be part of the FOSSEE open-source innovation ecosystem at IIT Bombay, offering valuable exposure to open-source technologies, software development, collaborative research, and real-world problem-solving.

Excellence in Research | Innovation in Atmospheric Science

Heartiest congratulations to Shivangani, CSE (Batch 2023–2027), on her selection for the Summer Internship Training Programme 2026 at the India Meteorological Department (IMD), Government of India. This achievement reflects her dedication, technical aptitude, and passion for research and learning, providing valuable exposure to atmospheric science and advanced meteorological applications.

Cyber Security Excellence Begins Early | Future Tech Leaders in the Making
