

# Join a Kickstart round today!

Ready to solve fun, challenging problems? Throughout the year, Code Jam hosts online Kickstart rounds to give students the opportunity to develop their coding skills, get acquainted with Code Jam's competition arena, and get a glimpse into the programming skills needed for a technical career at Google. Participate in one—or join them all!

## Kickstart 2017 Registration

Each Kickstart round gives students 3 hours to solve challenging, algorithmic problems developed by Google engineers. Participating is a fun way to develop your coding skills—and get acquainted with Code Jam's competition arena.

## What's involved in Kickstart?

Kickstart rounds are held online throughout the year. Check out the schedule to find rounds that are most convenient for you. Participate in one, or join them all.
