Apply Now

ITC Infotech presents the third edition of iTech - the company's flagship annual co-creation and technology innovation platform. As part of iTech 2017, ITC Infotech is bringing together some of the sharpest technology minds to compete, create and code for complex business applications, as part of a programming Codeathon. Grab this opportunity to prove your mettle in technology and win the ultimate bragging rights, along with cash prizes and hiring opportunities, while you learn from industry experts.
