

DRONACHARYA Group of Institutions

VENUE : DRONACHARYA GROUP OF INSTITUTIONS, GREATER NOIDA

Topics

1. DBMS
2. Cryptography and Network Security
3. Computer Network
4. Artificial Intelligence & Machine Learning
5. Security Issues of MANET
6. AD hoc Network
7. Automated Manufacturing and its Management
8. Mechanism of Machines
9. Automation
10. Design
11. Thermal Power Plant
12. Machine Design
13. Design of RC Beams
14. Highway Design
15. Employee Turnover
16. Importance of Motivation in Teaching Methodology
17. Impact of GST
18. Block Diagram Reduction Technique
19. Antennas Basics
20. Digital VLSI
21. Thyristor
22. Current Environmental Issues
23. Basics of C Programming
24. Super Conductivity
25. Basic Electrical
26. Linear Analysis

Faculty Development Programme

"Emerging Trends in
Engineering, Sciences &
Management"
