Academic Calendar (Odd Semester)

ECS Department

Session 2024-2025 (Aug-Dec 2024)

Vision

- To achieve excellence in Electronics and Computer engineering through quality education, research contributing to the emerging technologies and innovation to serve industry and society.

Mission

- M1: To help students achieve their goals by recognizing, identifying, and to bring up their unique strengths through quality education and cutting-edge research training.
- M2: To facilitate adequate exposure to the students through training in the state of-the art technologies.
- M3: To imbibe ability in the students to solve real life problems as per need of the society through nurturing their skills, creative thinking, and research acumen.

Program Educational Objectives (PEO)

- PEO1: To develop a strong foundation of engineering fundamentals to build successful careers maintaining high ethical standards.
- PEO2: To prepare graduates for higher studies and research activities, facilitating a commitment to lifelong learning.
- PEO3: Impart strong profession, ethical, social responsibility, integrity with environmental sensitivity.

Program Specific Outcome (PSOs)

- PSO1: To analyses electronics systems applying principles of mathematics and engineering sciences, to develop innovative ethical solutions to complex engineering problems with team spirit and social commitment.
- PSO2: To develop solution for real world problems based on principles of computer hardware, advanced software and simulation tools with a focus to devise indigenous, eco-friendly and energy efficient projects.

Activity Calendar (Odd Semester)
