Academic Calendar (Odd Semester)
CSIT Department
Session 2024-2025 (August-December 2024)

Vision

- Promoting technologists by imparting profound knowledge in information technology, all while instilling ethics through specialized technical education.

Mission

- Delivering comprehensive knowledge in information technology, preparing technologists to excel in a rapidly evolving digital landscape.
- Building a culture of honesty and responsibility in tech, promoting smart and ethical leadership.
- Empowering individuals with specialized technical skills and ethical values to drive positive change and innovation in the tech industry.

Program Educational Objectives (PEO)

- To enable graduates to think logically, pursue lifelong learning and will have the capacity to understand technical issues related to computing systems and to design optimal solutions.
- To enable graduates to develop hardware and software systems by understanding the importance of social, business and environmental needs in the human context.
- To enable graduates to gain employment in organizations and establish themselves as professionals by applying their technical skills to solve real world problems and meet the diversified needs of industry, academia and research.

PSOs (Program Specific Outcome)

- To adapt to emerging technologies and develop innovative solutions for existing and newer problems.
- To create and apply appropriate techniques IT tools to complex engineering activities with an understanding of the limitations.
- To manage complex IT projects with consideration of the human, financial, ethical and environmental factors.

Activity Calendar (Odd Semester)

S.No.	Description	Date	Day
1	Commencement of Classes for B.Tech III, V Semester	17-Sep-24	Tuesday
