**ACTION TAKEN REPORT BASED ON STUDENTS' FEEDBACK**

The college obtained the feedback on design and review of syllabus, facilities provided and teaching learning process from students to improve the process of teaching and learning. The feedback was based on a structured questionnaire. The data was analyzed and a feedback report was prepared in order to gain insights into the area where improvements are needed. On the basis of the feedback and suggestions received following actions were taken to incorporate the improvements suggested by students.

**ACTION TAKEN**

S. No.	Feedback/Suggestions	Action Taken
1	Students gave feedback for more international exposure.	A decision was taken to explore the possibility of collaboration with foreign universities for the purpose of collaborative conference, internship and research project.
2	More motivation for participation in challenges/hackathons.	Department has started Internships, Competitive Coding Challenges, Research based projects
3	More guest lectures should be organized for bridge the gap industry.	Subject experts like Dr. Nahar Singh, Ms. Shweta Latant, Capt. Manjula Katoch, Mrs. Suprabha Jadhav, Ms. Ruchi Sharma, Shri Ankit Kumar and many more are to give lectures and engage in one-on-one interactions with students.
4	Students suggested regarding teaching-learning methodologies.	Courses on Google cloud program were offered to the students and one faculty and two students will coordinate the program.
5	Some students require career counseling and guidance towards higher studies	College arranged alumni panel interaction programs along with fully functional Counseling cell. More career guidance and soft skill development session like Entrepreneurship and Innovation as Career Opportunity Career Guidance Seminar on GATE Examination Workshop on how to Crack PSU Exam and many more

6	Value added certificate courses to be implemented according to demand of the industry	It was decided to launch some courses which are in demand as per the industry requirement, so we started courses like web designing and data science. We made a WhatsApp group according to the area of interest of students and alumni to enhance peer-to-peer learning. Many value added certificate program were introduced like Certificate Program on Business and Analytical Skill, Certificate Program on Industrial Automation with PLC& SCADA, Certificate Program on Advanced Manufacturing and Industry 4.0 and many more
7	More recreational and teambuilding events.	The students were taken for picnics/ outings/ national and international educational tours ,department-wise for recreational, educational and teambuilding exercises
8	Students should be made future scope and opportunity of the program	Students are made aware of outcome of the programme during Orientation Program in the beginning.
