### A Poetry Competition

*Childhood  
As that nostalgic smell enters from above,  
Carrying the memories of my childhood like a flying dove,  
That smell reminds me of many things i had,  
Many things that I lost like the connection with my dad,  
Small like a caterpillar yet energetic like a bee,  
Like blooming dandelions filled with joy and glee,  
My childhood wasn't all bloomy and shiny,  
For as a kid I was weak and whiny,  
Now sturdy and strong here i stand outside,  
Haven't cried for days with tears tanked up inside,  
My childhood wasnt all laughters and joy,  
I still remember those petty street fights, oh boy!  
Whatever my childhood was like its something I miss everyday,  
Wishing I could go back one day,  
One day to those streets of cricket and to that love for sports,  
To those free shorts and not these tied up coats.*

डर

डर तू मुझको इतना क्यों डराता है  
क्यों तू भविष्य की अनिष्टिताओं का फायदा उठाता है  
क्यों तू अपनी मनगढ़ंत कहानियों से मुझे सताता है  
क्यों तू बस अपनी ताकत दिखाने के लिए मुझे कमजोर बताता है  
या मे कमजोर हूँ इसलिए तू मुझे डरा पता है

जब भी दिल नया कुछ भी करना चाहता है  
न जाने तू कहां से आ जाता है  
खुद जो आता है सो तो आता है  
साथ में अपने प्रश्नों और द्वंदों का भँवर ले आता है  
उसमे से सबसे पहले तू मुझसे मेरा आत्म विस्वास ले जाता है  
और आत्म विस्वास के जाते ही हिम्मत और हौसला तोह ताश के पत्तों की तरह बिखर जाता है  
डर तू मुझको इतना क्यों डरता है

क्यों तू मेरे ख्वाबों और हकीकत के बीच मे आ जाता है  
क्यों तू मैं नहीं कर सकती यह कह कह कर मुझे चिढ़ाता है  
बस बहुत हुआ तेरा अब सुन  
तू अपनी फूँक से मेरी आग को बुझा नहीं पाएगा  
तू अपने झूठ से मेरे सच को दबा नहीं पाएगा  
जंग छेड़ रही हूँ तेरे खिलाफ  
अब तेरा दांव मुझपे चल नहीं पाएगा  
क्यूँकि  
हार जीत भी मदिरा  
तारिफों का नशा  
परिणामों का मोह  
छोड़ दिया है मैंने  
अब कर ले मुझे जो करना है  
पर इस बार तेरी और मेरी जंग मे तू ही हार के जाएगा

### HOPE.

Hey there  
I'm still here  
I hope you can hear  
The words that this lil piece of my heart that is  
with me is speaking  
The words that only the rest of my heart that is  
with you can understand  
I hope it's safe there  
cause here  
it's all in intensive care  
it hurts so much  
so much that its so difficult  
difficult to have faith  
difficult to breath even the purest puff of air  
difficult to see my favorite photo of us  
and force the "water" from not falling from the  
lids.  
it feels so lonely  
so much that its difficult  
difficult to pretend  
pretend that I am happy

that I am okay  
that I am this strong-got-it-under-control  
person  
who always stay  
Still  
I am gonna just say that it's all gonna be okay  
cause I know  
Hope always stay.

### Try to dare

It's make no difference who you are,  
Your age, your sex, or what you do;  
And though you may not be a star,  
You cant Avoid not being you.

So take a moment, think a bit,  
You don't know what you're missing "till  
You take the plunge of trying it.  
And all that's needed is the will.

So when's the last time that you dared  
To do something not done before?  
Just view it as adventure fared,  
Yo then enjoy the pleasure stored.
