VISION

Instilling core human values and facilitating competence to address global challenges by providing Quality Technical Education.

MISSION

- M1 - Enhancing technical expertise through innovative research and education, fostering creativity and excellence in problem-solving.**
- M2 - Cultivating a culture of ethical innovation and user-focused design, ensuring technological progress enhances the well-being of society.**
- M3 - Equipping individuals with the technical skills and ethical values to lead and innovate responsibly in an ever-evolving digital landscape.**

Dear all

Greetings from the Editorial Desk!

August 2026 at Dronacharya Group of Institutions, Greater Noida, was a month of learning, innovation, achievement, and meaningful engagement. The campus came alive with a diverse range of academic, technical, cultural, sports, and social initiatives that encouraged students to learn beyond the classroom. From hands-on workshops, hackathons, academic achievements, and research participation to sports activities, cultural celebrations, and social initiatives, the month provided students with valuable opportunities to explore their potential and develop essential skills.

The achievements of our students across academics, innovation, robotics, and national-level platforms reflect the institution's continued commitment to excellence, experiential learning, and holistic development.

As we look ahead, we remain committed to creating opportunities that inspire our students to learn, innovate, lead, and contribute meaningfully to society.

Overall, August 2026 stands as a testament to the institution's unwavering dedication to fostering a well-rounded educational ecosystem—one that seamlessly integrates knowledge, innovation, values, and global outlook. As the academic journey progresses, such initiatives continue to inspire students to excel, innovate, and contribute meaningfully to society.

Independence Day Camp (IDC) 2026

1 August 2026

NSS Units of Dronacharya Group of Institutions, Greater Noida. 50 NSS Volunteers Represent DGI at Independence Day Camp 2026. The NSS Units of Dronacharya Group of Institutions, Greater Noida, take immense pride in the participation of 50 dedicated NSS Volunteers, led by Prof. Pranay Bhadauria, at the prestigious Independence Day Camp (IDC) 2026 at the iconic Red Fort, New Delhi, from 1st to 15th August 2026. Selected for this prestigious national camp, the volunteers are representing DGI with pride while embracing the values of patriotism, leadership, discipline, team work, and selfless service alongside NSS volunteers from across the country.

Dronacharya Group of Institutions, Greater Noida, welcomed its new batch on 13 & 14 August 2026 with a vibrant and inspiring Orientation Programme. The programme brought together eminent guests, industry leaders, faculty members, and students, creating an enriching platform for learning, interaction, and inspiration. Through insightful sessions and meaningful interactions, students gained a glimpse into industry expectations, career opportunities, professional growth, and campus life. The orientation marked the beginning of an exciting journey—one filled with learning, leadership, innovation, friendship, and endless possibilities.

80th Independence Day 2026

15 August 2026

Dronacharya Group of Institutions proudly joined the nation in celebrating the 80th Independence Day of India on 15 August 2026.

The occasion was a tribute to the sacrifice of our freedom fighters and a celebration of India's remarkable journey of 80 years of freedom, growth, and progress. As we honour our past, we look towards the future with renewed determination to contribute towards building a

stronger, smarter, and progressive India. 80 Years of Freedom. One Nation. One Spirit. Happy Independence Day!

Workshop On Artificial Intelligence & Machine Learning

18 August 2026

Workshop On AI-ML
Artificial Intelligence & Machine Learning

TOPIC 1 Linear Regression, Poly Regression, Demo
TOPIC 2 Logistic Regression, Decision Tree, Random Forest, Demo
TOPIC 3 Support Vector Machines
TOPIC 4 Clustering Demo

Date: 18 Aug, 2026

SPEAKERS
Vipul Ph.D Research Scholar, IIT Delhi
Jyotismita Ph.D Research Scholar, IIT Delhi

Dronacharya Group of Institutions, Greater Noida, hosted an AI-ML Workshop on 18 August 2026, featuring insightful sessions and practical demonstrations by Mr. Vipul and Ms. Jyotismita, Ph.D. Research Scholars, IIT Delhi. Students explored key Machine Learning concepts, including Regression, Logistic Regression, Decision Trees, Random Forest, SVM, and Clustering, gaining valuable exposure to real-world AI-ML applications. The workshop enhanced students' technical knowledge, practical skills, and understanding of emerging technologies.

Hand On Workshop On "Cyber Security Essentials: Staying Safe in the Digital World"

19 August 2026

Dronacharya Group of Institutions, Greater Noida, hosted a hands-on workshop on "Cyber Security Essentials: Staying Safe in the Digital World" on 19 August 2026, organized by the Department of Electronics & Computer Engineering. The session was conducted by

Mr. Nitin Chauhan, Solution Consultant at 3rd Eye Techno Solutions, who provided students with practical insights into Cyber security, digital safety, and emerging online threats. The workshop enhanced students' awareness of safe digital practices and Cyber security essentials, equipping them with knowledge to navigate the digital world responsibly.

Ideas to Impact.” The event aimed to provide students with a practical platform to explore entrepreneurship, develop innovative business ideas, and understand the process of transforming an idea into a potential business opportunity.

Workshop On Artificial Intelligence & Machine Learning

25 August 2026

Dronacharya Group of Institutions, Greater Noida, hosted an AI-ML Workshop on 25 August 2026, featuring insightful sessions and practical demonstrations by Mr. Subhanu, Prime Minister Research Fellow, IIT Delhi and Mr. Gourab Panda, Ph.D. Research Scholars, IIT Delhi. Students explored key Machine Learning concepts, including Introduction to Deep Learning, Neural Networks-XOR Problem, Forward Pass, Chain Rule & Back propagation, Convolutional Neural Networks and Sequence Models - RNNs, LSTM & GRU.

Industrial Visit to Daikin-Zomato Cold Storage Facility, Delhi

25 August 2026

The Department of Mechanical Engineering, Dronacharya Group of Institutions, Greater Noida, organized an industrial visit to the Daikin-Zomato Cold Storage Facility, Mundka Industrial Area, Delhi, on 25th August 2026. The visit was organized to provide students with practical exposure to industrial refrigeration, cold-storage operations, temperature-controlled logistics, and HVAC&R systems. Students from B.Tech (Mechanical Engineering), III Year, participated in the visit under the supervision of Dr. Shailesh

Kumar Singh, (HOD, Mechanical Engineering) and Mr. Ankur Sachdeva, Assistant Professor, Mechanical Engineering and ASHRAE Faculty Advisor.

The industrial exposure enhanced students' understanding of energy-efficient refrigeration systems, temperature-controlled storage, and modern cold-chain operations. It also familiarized them with industrial practices and career opportunities in HVAC&R, refrigeration, cold-chain management, and logistics.

National Sports Day 2026

27 August 2026

Dronacharya Group of Institutions celebrated National Sports Day on 27 August 2026 with exciting Volleyball and Badminton matches held on campus. The celebration promoted the spirit of sportsmanship, teamwork, fitness, and healthy competition, encouraging students to embrace an active and balanced lifestyle.

Robotics Champions Win e-Yantra eLSI Sprint

Dronacharya Group of Institutions proudly celebrates the outstanding achievement of its student team, which emerged as the Winner of the e-Yantra eLSI Sprint - A Robotics Learning Journey, conducted under the e-Yantra initiative of IIT Bombay. The winning team received the Winner Award, INR 10,000 Cash prize, and a 3-D Printer.

Team Members:

- Mohd. Basar - Team Lead, CSE
- Harsh Pandey - CSE
- Darshan J. Solanki - CSE

The achievement reflects the students' dedication to robotics, hands-on learning, problem-solving, innovation, and teamwork.

Academic Excellence: Students Achieve Above 8.5 SGPA in AKTU Examination 2025-26 (FIRST YEAR)

Students of Dronacharya Group of Institutions have demonstrated outstanding academic performance by securing above 8.5 SGPA in the AKTU Examination 2025-26 (First Year), reflecting their dedication, hard work, and commitment to academic excellence.
