VISION

Instilling core human values and facilitating competence to address global challenges by providing Quality Technical Education.

MISSION

- M1 - Enhancing technical expertise through innovative research and education, fostering creativity and excellence in problem-solving.**
- M2 - Cultivating a culture of ethical innovation and user-focused design, ensuring technological progress enhances the well-being of society.**
- M3 - Equipping individuals with the technical skills and ethical values to lead and innovate responsibly in an ever-evolving digital landscape.**

"The journey of a thousand miles begins with a single step."

— Lao Tzu

Dear all

Greetings from the Editorial Desk!

July 2026 at Dronacharya Group of Institutions, Greater Noida, was a month filled with learning, innovation, achievement, and meaningful engagement. The campus witnessed a vibrant blend of academic, technical, cultural, sports, and social activities that encouraged students to explore new ideas and learn beyond the classroom.

From academic initiatives, hands-on learning experiences, workshops, competitions, and innovation-driven activities to cultural celebrations, sports events, and social engagement, the month provided students with valuable opportunities to enhance their knowledge, creativity, teamwork, and leadership skills. The accomplishments of our students across academics, innovation, technology, research, sports, and various competitive platforms reflect the institution's continued commitment to excellence, experiential learning, and holistic development.

These achievements further strengthen our vision of nurturing confident, skilled, and responsible future professionals. As we move forward, we remain dedicated to creating an enriching educational environment that inspires students to learn, innovate, lead, and contribute meaningfully to society. Overall, July 2026 stands as another significant chapter in the institution's journey towards academic excellence and holistic development. Through continuous learning, innovation, collaboration, and engagement, Dronacharya Group of Institutions continues to empower students to transform opportunities into achievements and prepare themselves for a dynamic and evolving world.

eLSI Summit 2026 and e-Yantra Symposium 2026 at IIT Bombay

3-4 July, 2026

Prof. Lily Kumari and Prof. Ankita Sharma of Dronacharya Group of Institutions, Greater Noida, participated in the eLSI Summit 2026 and e-Yantra Symposium 2026, held at IIT Bombay, Mumbai, on 3-4 July 2026. The two-day programme focused on experiential and project-based learning, robotics, embedded systems, AI, IoT, and innovation in engineering education. Key sessions by Prof. Kavi Arya, Prof. Leena Vachhani, and industry experts provided valuable insights into emerging technologies, research, and industry expectations in the age of AI. The participation offered valuable exposure to contemporary engineering practices and will support the enhancement of student projects, laboratory activities, mentoring, research, and experiential learning at DGI.

3rd International Conference on Optimization Techniques in Engineering and Technology (ICOTET 2026)

24-25 July, 2026

The 3rd International Conference on Optimization Techniques in Engineering and Technology (ICOTET 2026) was organised on

24-25 July 2026, providing an international platform for explore emerging developments in engineering and technology. The conference received 240+ research paper submissions, of which 84 quality papers were accepted following a rigorous peer review process, highlighting the conference's focus on research excellence and meaningful academic contributions.

6 Years of NEP 2020 | Transforming Education. Inspiring Innovation. Shaping Tomorrow.

29 July, 2026

Dronacharya Group of Institutions, Greater Noida, through its Institution's Innovation Council (IIC), commemorated the 6th Anniversary of the National Education Policy (NEP) 2020 on 29th July 2026. The occasion highlighted NEP 2020's vision of innovation, research, entrepreneurship, experiential learning, critical thinking, and future-ready education.

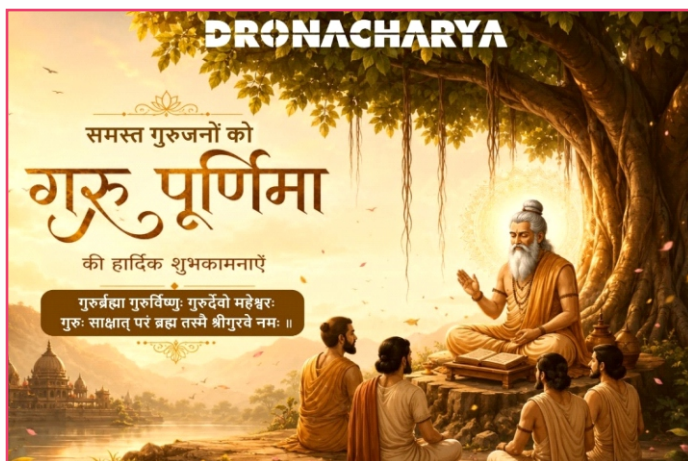

At DGI, these principles are reflected through innovation-led learning, industry collaboration, and research-driven education, empowering students to become future-ready innovators and changemakers.

Guru Purnima 2026 | Celebrating the Gurus Who Inspire, Guide & Transform Lives

29 July, 2026

Dronacharya Group of Institutions, Greater Noida, celebrated Guru Purnima 2026 by honouring the invaluable role of teachers and mentors in shaping minds, nurturing values, and inspiring excellence.

The occasion celebrated the timeless Guru-Shishya tradition, where knowledge meets values, learning inspires innovation, and education empowers future-ready leaders. With heartfelt gratitude to every teacher and mentor who inspires curiosity, unlocks potential, and shapes tomorrow.

ANRF Vision 2026 | Igniting Research. Inspiring Innovation. Empowering Future Changemakers

31 July, 2026

Dronacharya Group of Institutions, Greater Noida, through its Institution's Innovation Council (IIC), successfully organised an expert session on "Strengthening Scientific Research and Innovation

in HEIs: ANRF's Vision, Priorities, and Support Framework" on 31st July 2026.

The session was led by Dr. Shivkumar Kalyanaraman, Chief Executive Officer (CEO), Anusandhan National Research Foundation (ANRF), who shared valuable insights into strengthening India's research ecosystem, advancing scientific innovation, and fostering interdisciplinary collaboration.

The interaction provided students, faculty members, researchers, and innovators with an understanding of ANRF's vision, research priorities, and support framework, along with opportunities to transform ideas into impactful research and technological solutions. The session reinforced Dronacharya's commitment to research excellence, innovation driven education, interdisciplinary collaboration, and nurturing future changemakers contributing towards a Viksit Bharat.

DGI Greater Noida Student Secures All India Rank 1 in NCAT 2026!

Dronacharya Group of Institutions, Greater Noida, proudly congratulates Akshat (MBA) on securing All India Rank 1 (Category 4) in the National Creativity Aptitude Test (NCAT) 2026 and winning a cash prize of INR 20,000. This remarkable achievement reflects his creativity, innovation, analytical thinking, and problem-solving abilities. It also highlights DGI's commitment to fostering innovation driven learning, skill development, entrepreneurship, and future-ready education. Congratulations, Akshat, on this outstanding achievement!

Prestigious Internship at Ministry of Panchayati Raj

Dronacharya Group of Institutions, Greater Noida, proudly congratulates Riya Jaiswal, Deepti Saini (CSE-AIML) on successfully completing her prestigious internship at the Ministry of Panchayati Raj, Government of India. The internship provided valuable exposure to governance, technology, public service, and real-world professional practices, reflecting student's dedication and commitment to learning.

This achievement reinforces DGI's focus on providing students with government internship opportunities, practical exposure, innovation-driven learning, and career-oriented education, empowering them to contribute meaningfully to technology and nation-building.

Congratulations, Riya & Deepti on this remarkable achievement!

DGI Students Selected for Daikin Summer Internship Program 2026

Dronacharya Group of Institutions, Greater Noida, proudly congratulates Aditya Chauhan, Ayush Bhatt, and Krishna Aggarwal, Second-Year Mechanical Engineering students, on their selection for the Summer Internship Program 2026 at Daikin Air conditioning India Pvt. Ltd., Neemrana, Rajasthan.

The internship will provide valuable hands-on exposure to HVAC technology, manufacturing, industrial automation, mechanical design, production engineering, quality systems, and smart manufacturing, strengthening their
