<u>About the Infosys Certification:</u>

The Infosys InfyTQ Certification is a technology accreditation that endorses your industry-readiness. It is an exam which tests your knowledge in Programming and Databases. Upon clearing the exam, you get certified as Infosys Certified Software Programmer. The biggest benefit is that you get an interview opportunity for the Systems Engineer or Power Programmer role at Infosys.

For Registration: Visit this link - https://infytq.onwingspan.com/en/infosyscertification/registrationprofile

For further information: Please refer your official whatsapp group.

<u>Note:</u>
- All the students should appear for recruitment process in formal attire.
