OFFER LETTER

Date: 15th January, 2025

Dear Rachit Sehgal,

We are pleased to extend to you an offer for the position of **Research Assistant** at **Odyssey Therapeia**. We believe your skills and dedication will be a valuable addition to our team and look forward to supporting your growth and professional development.

Position Details

Position Title: Research Assistant
Location: Remote
Start Date: 15th January, 2025
Reporting to: Abraham Abel Boodala, Director of Innovation

Responsibilities

In this role, you will assist with various research activities, including but not limited to

- Conducting literature reviews and compiling data.
- Supporting data collection, analysis, and reporting.
- Preparing summaries, presentations, and assisting in research project documentation.
- Collaborating with team members to support ongoing research projects.

Expectations and Evaluation

Your internship will be an opportunity for hands-on learning and gaining practical experience. You will receive guidance and feedback throughout the program, and a final evaluation will be conducted upon the completion of your internship.

Confidentiality and Intellectual Property

As a Research Assistant, you will have access to proprietary information and may be contributing to confidential projects. We expect the highest standards of confidentiality, and
