

D. E. Shaw India is excited to invite applications for FinSpire—a three-day fellowship program geared towards helping women students in their first year of an undergraduate degree explore career possibilities in finance. The fellowship will be held at our Hyderabad office.

## ABOUT FINSPIRE

The program offers:

- Exposure to our firm, our culture, and the industry
- Customized learning sessions led by industry specialists
- Guidance from skilled mentors
- Opportunities to network with a diverse group of students

Fellows receive a stipend of **INR 10,000** for participation. Travel and accommodation are covered by the firm (as per firm policy).

### ELIGIBILITY

The program is open to women in their first year of a full-time undergraduate degree in any non-engineering\* academic discipline. Prior knowledge of finance is not required.

### SELECTION CRITERIA

Fellows will be selected based on their resumes, aptitude test scores, and asynchronous interview results.

## HEAR FROM OUR ALUMNI

The program offered insights into various roles in finance and broadened my perspective on potential career options.

**Tanisha Gupta (2024 Fellow)**

I appreciated the sessions for their practical insights and interactive format, which made complex financial topics easier to understand.

**Rucha Shah (2024 Fellow)**

Hearing from accomplished women professionals about their career journeys during a networking session was inspiring.

**Dhanya Patel (2024 Fellow)**

Interested students can apply by filling out the form at the below QR code by **April 7, 2025**.

*\*Note: We have other fellowships available for those pursuing an engineering degree.*
