WHY CHOOSE THIS PROGRAM?

Gain hands-on research experience, meaningful academic exposure, and a strong foundation to shape your future in science and innovation.

01

Hands-on Research Experience

Work on advanced research projects under faculty mentorship & gain practical insight beyond classroom learning.

02

Academic Enrichment Beyond the Lab

Attend seminars, interact with researchers, explore facilities, and take part in engaging academic activities.

03

Recognized Academic Value

Receive a Project Completion Certificate that strengthens your academic profile and supports future opportunities.

DATES TO REMEMBER

- ✓ Online application portal opens: **25 February 2026**
- ✓ Last date to submit applications: **10 April 2026**
- ✓ Shortlisted candidates list to be published on NISER Website: **20-25 April 2026**
