

# Campus Beats TECH CHALLENGE

Every year, we identify and engage students from dozens of top engineering schools through a range of learning activities and case challenges designed to prepare them for the upcoming placement season and learn about ZS's work and culture.

## WHY PARTICIPATE IN CAMPUS BEATS? Program benefits

Campus Beats offers students a chance to attend live webinar sessions and an opportunity to participate in the nationwide case challenge.

Case Challenge  
Registration window: April 2024

Panel Interview  
May 2024

**Batch: 2024**
