Technological
Innovation - SRISTI
Awards, 2019**

GANDHIAN
YOUNG
TECHNOLOGICAL
INNOVATION
AWARD

**Last date for entries:
October 30, 2018**

SRISTI (Society for Research and Initiatives for Sustainable Technologies and Institutions) has established three national awards for innovative student projects in engineering, biotechnology, agriculture, pharmacy, material science and other applied technological domains. These awards are given every year during the Festival of Innovation And Entrepreneurship (FINE), Rashtrapati Bhavan, New Delhi in the month of March.
