

Building **ready-for-adoption DPI solutions** under the mentorship of the makers of MOSIP.

[Click Here to Apply](#)

The initiative presents the opportunity to work closely with the makers of MOSIP & develop a solution that could be presented to an audience of government decision makers from 30 countries across the world at a global event in 2025!

Showcase your Solution to a Global Audience at MOSIP Connect 2025 in Manila, Philippines – a prestigious event with representatives from over 30 countries.
