

# THE ANNUAL **BCI AWARD**

FOR THE WORLD'S MOST INNOVATIVE BRAIN-COMPUTER INTERFACE PROJECT

## 5 STEPS TO SUBMIT YOUR PROJECT

1. Write a **clear description** of your project in English, that does not exceed 2 pages. Make sure to start your submission with a **short introduction** text in which you summarize your submission within 3-5 sentences.
2. Include your full name(s), contact information, project title, brief description and current status of the work, images, figures and tables (if needed).
3. Make a **short film (format 16:9)** to explain the subject matter of your BCI project submission. It should be approx. two minutes long and has to be spoken or subtitled in English.
4. Send the document as a .pdf file and the short film to [submit@bci-award.com](mailto:submit@bci-award.com) before the indicated deadline.
5. Attend the virtual BCI Award 2024 Ceremony at the BMI Sessions of the 2024 IEEE SMC Conference or send a delegate to receive the nomination or the award in person. The 12 top-ranked nominees will be informed about 1 month before the BCI Award 2023 Ceremony.
