01

## Registration & Kick-off

Eligible engineering students - 1st/2nd/pre-final year (2027, 2028 and 2029) from circuit branches register for the challenge.

Registration closes on: Mar 12, 2026 (11:59 PM IST)

02

## Qualifying Round

Open to all registered and eligible students, this preliminary round evaluates core aptitude through a hybrid model of MCQs and coding tasks.

Test Window: Mar 14, 2026 - Mar 15, 2026

03

## Round 1 & Round 2

The top 15,000 qualifiers will undergo a rigorous technical round in the form of a coding challenge. The competition then intensifies as the top 1500 students progress to Round 2 for an advanced coding assessment.

04

## Final Hackathon

The top 50 finalists from Round 2 will compete in an AI-themed technical hackathon. Submissions will be evaluated by our engineering team and the Top 15 will be invited to present their solutions live at the Google office in Bengaluru.
