GOOGLE HASH CODE 2021

Hash Code is a team programming competition, organized by Google, for students and professionals around the world. You pick your team and programming language and we pick an engineering problem for you to solve. This year's contest kicks off with an Online Qualifications, where your team can compete virtually from wherever you'd like, alongside your virtual Hub. Top teams will then be invited to compete from our virtual World Finals.

Team Rank Prize Money Per Participant :

1st Prize – $4,000 USD

2nd Prize – $2,000 USD

3rd Prize – $1,000 USD

Registration is now open until Feb 24 2021, 11:00 (UTC)
