

International Symposium on **Semiconductor Materials and Devices**

ISSMD-2026

23-25 October 2026

Organised by
Indian Institute of Technology Ropar
in association with
Semiconductor Society (INDIA)

Focus Areas

Compound Semiconductors

Quantum Materials and Devices

Organic Semiconductors and Devices

Ultra-Wide Bandgap Semiconductors

Power Electronics Devices

Crystal Growth and Design

Lab to Fab: Materials to Prototype to
to IC Fabrication

Materials Modelling and Device Simulations

Optoelectronics and THz devices

Photovoltaics

● **Patron**
Prof. Rajeev Ahuja
Director, IIT Ropar

● **Chairperson**
Prof. Mukesh Kumar

● **Co-Chairperson**
Prof. Rohit Sharma

● **Secretary**
Dr. Vivekanand Shukla

● **Treasurer**
Dr. Ritu Gupta
Dr. Vijay K Singh

**Abstract Submission
Starts: 15 March, 2026**
