

DRONACHARYA

Group of Institutions

WELCOME

First Year Students (Batch : 2021-25)
To

One Week Induction/Orientation Program

(October 18th -22th , 2021)

*“An ideal engineer is a composite... just not a scientist,
not a sociologist or a writer, but may use the knowledge
and techniques of any or all of these disciplines in
solving engineering problems.”*
