Problem Raised	Meeting 1 Network signal was not good in some regions so some lectures were missed. Lectures were presented by ppt which made subject less interesting.	Meeting 2 Lab record not available as markets were closed due to lockdown. All the subject assignments were given at same time during mid-terms which creates a lot of pressure.	Meeting 3 Need of revision and doubts clearing class of theory and lab subjects. Online classes were boring sometimes.
Action Taken	Meeting 1 Forwarded the issue to HOD and it was decided to provide lecture recordings to the students who missed the lecture	Meeting 2 After discussion with HOD it was decided that experiments till lockdown period could be accepted in softcopy. Then issue was discussed with faculties.	Meeting 3 After discussion with HOD faculties were advised to take revision class if syllabus is complete and doubt clearing class once in a week After discussion with HOD and faculties it was decided to have maximum interaction with students during online class.
