Workshop on ABCD to achieve your dreams

24th August 2016

No. of Participant : 60

ISTE Student Chapter of Dronacharya Group of Institutions, Greater Noida organized one day workshop on ABCD to achieve your dreams conducted by **Dr. Anil Sethi** - a renowned expert & philosopher on **24th August 2016** for the first year B.Tech CSE Departments students. The Program was coordinated by **Ms. Anuja Sahani, Assistant Professor**, Department of Applied and Humanities, **DGI, Greater Noida**. The objective of the workshop was self-realization of inner self & respect to elders.

Session was started with welcome speech of **Prof. S.K. Bagga, Director, DGI, Greater Noida**. After welcome address **Dr. Anil Sethi** started the session.

Dr. Sethi quoted various real life examples describing the importance of parents / guardians in the life. He explained the ABCD of life in a very innovative & exemplary way, explaining the ways to achieve the goals & fulfill the dreams of parents by following mantra:

A : Avoid negative energies.

B : Be to yourself.

C : Courageous and confident.

D: Don't give up.

Dr. Sethi made the students play many games, presented various inspirational videos showing examples from real life. Guided them with the ways to cope up from failures and how to stand up again and aim higher for success. The "**ABCD to achieve your dreams**" was a huge success & thoughtful as it touched their emotional, personal & professional soul.

The feedback of the students was excellent and they participated throughout the workshop with great enthusiasm.

Expert Lecture on How to crack Gate / PSU Exams

7th October, 2016

SAE Collegiate Club, Dronacharya Group of Institutions, Greater Noida organized an expert lecture by **Mr. Sandeep Kumar, Scientist (ISRO)** on "How to crack Gate / PSU Exams" on **7th October, 2016**.

Dr. S. K. Bagga (Director) welcomed the guest speaker **Mr. Sandeep Kumar** with a bouquet Then, **Prof. D. V. Bhise (HOD, Mechanical Engineering)** introduced the guest speaker and welcomed him to proceed with lecture.

Mr. Sandeep started his discussion with the some motivation and inspiration speech. He explained the students the importance of GATE examination He briefed about the numerous opportunities to students which they can get after clearing GATE exam.

He said competitive exams are not all about the mugging up the formula and directly applying them instead a candidate needs to know the principles involved in each concept and derivation. For GATE exam he suggested the students to prepare the subjects according to the weightage of the subject in the GATE exam. For cracking the GATE exams he asked students to start from the bottom and build the concepts from the basics and there should

Pilot Programme on “College to Corporate”

November 26th, 2016

One Day Pilot Programme on “College to Corporate” was conducted by **Indian Institute of Technology, Bombay**, through ICT on **26th November 2016**. The workshop was organized at **Dronacharya Group of Institutions, Greater Noida**, which was attended by 56 students.

The aim of the programme was to prepare engineering students for their transition from informal campus environment to a formal corporate environment.

The workshop was inaugurated by **Padam Shree Prof. Deepak Phatak, IIT Bombay**. He welcomed the Speaker of the Program, **Mr. Ravi Kodukulu (Executive Director and Head, J P Morgan Chase & Co.)** and his team. **Prof. Mukta Atrey, Sr. Project Manager, IIT Bombay** gave a brief about the course, laying strong emphasis on the need of understanding proper procedure of selection and how to excel in it. She discussed the program schedule for the day.

Mr. Ravi began the session with a discussion on the expectation of the recruiters. He shared stories on what can possibly go wrong during the interview. He further explained the ways to prepare for an Interview and how to make the best impression that can only be achieved by researching the industry and company. He asked the participants to identify their "**selling points**" and the reasons they want the job, by anticipating the interviewer's concerns and reservations.

Giving the overview of the Interview Process, **Mr. Ravi** performed a Quick Walk - through of what to expect from the selection process and how organizations orchestrate the process. He revealed the corporate philosophy of recruitment and discussed about the action to watch out for during the interview process. He also emphasized that the interviewee must be relaxed before facing the interview and when the interviewer offers a seat at the start of the job interview, one must sit upright but not too stiffly. He further discussed about the famous STAR Technique where S-stands for Situation (Let me tell you about a time when I had to do this in real life), T-stands for Task (This is exactly what I had to do and my role in it was), A- stands for Action (Let me tell you what actions I had to take to get there) and R- stands for Result (This was the outcome and what I finally achieved).

Mr. Ravi said that Job interviews are like “**First Dates**” where good impressions count, awkwardness can occur and also the outcomes are unpredictable. He also explained the necessary skills for interview during the session.

The session concluded with the Q & A session. **Prof. Mukta Atrey** delivered the Vote of Thanks.

QEEE - Direct To Students Program Phase VII Session

January - April 2017

QEEE - Direct To Students Program Phase VII Sessions were organised at Dronacharya Group of Institutions, Greater Noida in association with IIT, Madras during January - April 2017.

The **D2S** program of QEEE strives to raise the bar of engineering education pan India through its intervention. The program began in Jan 2014, and has offered about 150 courses over 7 semesters since then.

468 students from DGI registered themselves in **15** various courses for the **Phase VII** as listed below:

QEEE Phase-VII (Jan-Apr 2017)						
S.no	Topic	IIT Faculty	Local Faculty	# Student Registered	Certificate (P)	Certificate (E)

IITM also organised two **Industry Bridge Sessions** in association with CII, as detail below:

S.No.	BRIDGE SESSION NAME	Resource Person	LOCAL FACULTY
1	QEEE Bridge - CII Session on Renewable Energy	Mr. Ravichandran, EVP - Industrial Operations Gamesa	Ms. Prachi Agarwal
2	Internet of Things	Mr. Paul Sundar Singh Industrial Industry Lead Accenture	Ms. Prachi Agarwal

These CII Bridge sessions were aimed at giving students an opening to the industry trends and needs.

During the D2S sessions, the students attended the lectures through ICT, solved the assignments, attempted quizzes and also interacted through A/V, Question Tab as well as Forum.

Out of the **468** students registered for different courses, **265** students achieved the **Certificate of Excellence**.

Based on the performance of the students and result declared by **Prof. Ashok Jhunjhunwala, Chairman - QEEE, Dronacharya Group of Institutions, Greater Noida** has been placed in "**Partner Category**", for being in sync with the IITs on the program objectives. The rating was done based on the three parameters i.e attendance, interaction and performance.

13	Electrochemistry and its Applications - Engineering Chemistry	Dr. Vaisnav Pravin Raut	3	57	63	73
14	Routing Algorithms - Computer Network	Mr. Manoj Kumar Yadav	4	54	100	100

Based on data from the latest semester (Jan - Apr 2017), we are happy to announce that your college falls in the "Partner" category.

We thank you for your participation and support in running the program.

Motivational Seminar on Topic “Laying the Foundation for Successful Career”

29th September, 2017

Dronacharya Group of Institutions, Greater Noida, organized a Motivational Seminar “Laying the Foundation for Successful Career” on 29th September 2017 for the students of CSE, CSIT & IT Branch of Applied Sciences & Humanities Department. The seminar was conducted by Dr. Anil Sethi, a renowned Philosopher and Motivational Speaker.

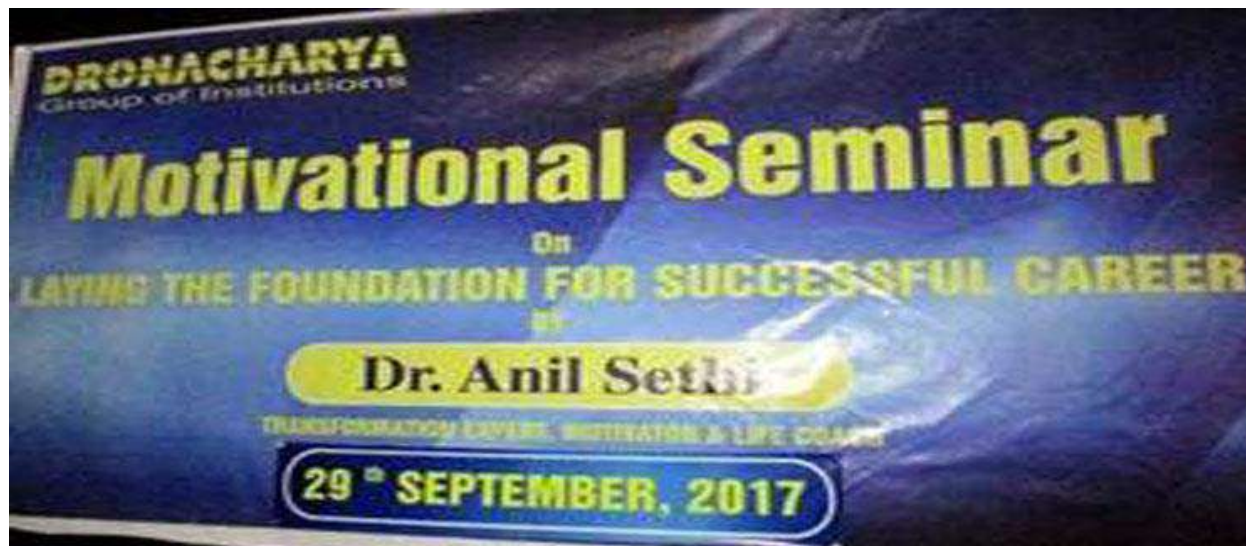

The session started with the Welcome Speech of Prof. (Dr.) Ashish Soti, Director, DGI, Greater Noida.

During his session, Dr. Sethi Sethi emphasized the value and importance of parents who work as torch bearers in guiding the lives of their wards. Dr. Sethi presented various inspirational videos showing examples from real life. Guided them with the ways to cope up from failures and how to stand up again and aim higher for success.

Dr. Sethi motivated students through interesting stories, audio videos, motivational songs, clippings and real life experiences. Dr. Sethi also delivered an energetic speech on the art of motivation. He discussed the impact of positive thinking on the culture of an organization.

The Seminar concluded with the presentation of Memento to Dr. Anil Sethi by Hon’ble Director, Prof. (Dr.) Ashish Soti.

The program ended with Group photographs.

Workshop on "Master your Mind

25 September, 2017

On 25 September 2017 DGI NSS wing of Dronacharya Group of Institutions, Greater Noida organized a workshop on "Master Your Mind". The purpose of workshop was to introduce the concept of mental training and learn "How to effectively manage our thoughts and emotions", "Use work pressure to our advantage and influence our body and mind in a positive way".

Hon'ble Prof. B. L. Kaul, Registrar, Dronacharya Group of Institutions, Greater Noida, welcomed the guests Sister Priti & Sister Kamla from Brahmakumaris.

Sister Kamla started the session with a discussion on **external stimuli**. She said that the stimuli, **Form, Touch, Smell, Taste and Sound** reach us through our sense organs, which initiates creatures to react accordingly.

Sister Kamla said that the instrument or mechanism within man that receives and processes the stimuli is called the **mind**. If one's mind is not attentive and wanders a person cannot hear what is said to him. She further explained that the mind cannot come to a decision; it only receives the stimuli and then submits it to a higher authority, called the **intellect**; the judging faculty. The intellect judges how we are to react to situations and what responses we must make. The finale decision comes from the intellect.

Explaining the role of intellect, Sister Kamla said that every one's intellect comes to a judgement depending upon his impressions of his past life experiences (**samskar**). Past experiences control, direct, regulate, and discipline our present reactions to the world, because our intellectual judgement is coloured by its past experience. If we hold on past in our mind it creates a lot of disturbance for self and others. She advised all to become the master of the self and create a good future with pure feelings and wishes.

Sister Preeti talked about the 5 thoughts - **Positive, Negative, Intellectual, Necessary and Waste**. She said that positive thinking is when the right thoughts are created in unfavourable situations. So far it is believed that thoughts are linked to the environment around us, it's just so natural that when there is a crisis outside, there will be a crisis inside. But spirituality teaches us that what is inside, is independent from what is outside. Negative energy needs to be blocked from the inside. The problem starts when the thought starts driving us instead of the other way round.

She further discussed the basic quality of soul i.e., is **knowledge, purity, bliss, happiness, love, power and peace**. These basic qualities evolve a pure mind. The purer is the mind, the easier it is to control. Purity of the mind must be insisted upon. Perfect morality takes complete control over mind.

She advised to meditate daily and observe ones thoughts. Throughout the day, one must take a moment to deep breathe.

Hon'ble Director Prof. Ashish Soti presented memento to both the guests. He concluded the program with a very encouraging speech, appreciated and praised the guests for the conduction of the workshop. He reiterated the importance of spirituality and advised that the practice of meditation.

Alumni Student Connect Program

22 September, 2017

Mr. Rahul Kaushik, B.Tech CSE Batch 2004 - 2008, alumnus of **Dronacharya College of Engineering, Gurgaon** visited **DGI, Greater Noida** on **September 22, 2017** to deliver a Lecture on '**Bridging the Gap between Academia and Corporate**'.

Mr. Rahul Kaushik is working as a Product Developer with DXC Technologies. He has been invited as a motivational speaker and to conduct writing workshops at prestigious institutes like **IIT Bombay, VIT Chennai, Thapar University Patiala**, and others.

The session at **Dronacharya Group of Institutions, Greater Noida** started at **12:45 PM**, with B.Tech first year students. **Rahul** shared his own experience as a first year student. He told that the starting journey was very turbulent and there was a feeling of breaking the boundaries and live an independent life, just like the feeling, present first year has. There were not many people to guide in those years. But today's generation is very lucky to have people around and counsel at every stage. He told the students that his school background has always been in Hindi medium and he faced lot of problems juggling up with the English medium culture in college. But that did not deter him from trying and today he writes his micro fictions in English. He worked very hard, read newspapers, magazines and correlated to his text books which helped him to score better in exams as well.

Mr. Rahul said that hard work, conviction and passion are the micro particles that bind one's career growth. He encouraged the students to start speaking in English which would eventually help them in the coming 4 years. He said that learning can be done from anyone in the world and its always important to have an intent to learn. He

further advised students to follow two important mantras in life. First is to have a dream and second is not to be pulled down by negative people and negative thoughts.

Mr. Kaushik also counselled them about the deadly '**Blue Whale Challenge**' game that is going viral and targeting age group of 16 - 20 yrs. He shared his own dreams with the kids and also asked them to share their dreams with him.

While concluding the session, he asked the students to keep working hard and focus on the vision.

The session ended with the presentation of Memento to **Mr. Rahul Kaushik** by **Hon'ble Director, Prof. (Dr.) Ashish Soti**.

Department of Civil Engineering, **Dronacharya Group of Institutions, Greater Noida** a **Student Counseling Programme on Inform, Advice and Inspire** on 10th November, 2017 in association with **American Society of Civil Engineering (ASCE)**. 52 Students of Civil Engineering along with faculty members attended the programme.

Speakers at the event included:

- **Mr. Kamlesh Kumar** (Senior Structural Engineer in EXP US Services)
- **Mr. Amit Srivastava** (Software Professional)
- **Mr. Santosh Bhalekar** (Civil Engineer in EXP US Services)

The purpose of this counseling programme was to create awareness amongst students about current trends in industry, suitable career options and higher studies programmes in India as well as in abroad.

The programme started at 9:00 AM. It was an online face-to-face interaction with the speakers. The speakers interacted with the students via Webex online platform. The topic of the online face-to-face interaction session was **"How to Engineer Your Career in a Fast-Changing World"**. Mr. Kamlesh Kumar started the Session with the overview about **An Ideal Career, Critical Skills for Success in Career and what we can do now to fly in the FUTURE Challenges of the Fast-Changing World**. While discussing about ideal career he emphasized on few factors like Livelihood (Monetary Compensation) Prestige, Work-Life Balance, Impact (Family, Society and World) and Risk appetite.

Mr. Kumar explained the career option like higher studies in India and abroad, Job Placement in Private Consulting Firms Core/Non-Core and Government (IES)/PSUs Administrative/Engineering and Jobs in consultancy. He discussed about GATE, GRE and GMAT and their scholarships too. While discussing career opportunities, he emphasized that students should have quality of being sincere, Regular, Creative and hard working. They should feel comfortable while meeting and dealing with people and resources. He also emphasized on development of soft skills.

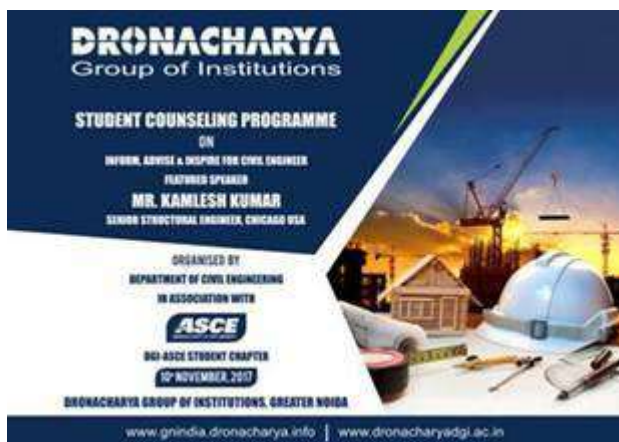

Question and answer session was assisted by Mr. **Mr. Amit Srivastava** and **Mr. Santosh Bhalekar**. Students showed enthusiasm and participated actively during the Q&A session.

The program ended at 11:00 AM with a Vote of Thanks from Mr. Vibhooti Narayan Mishra, HOD Civil Engineering Department.

Session was a very inspiring and knowledge enriching in terms of future opportunity for Civil Engineering Students.

College to Corporate Programme

January 23rd - February 18th, 2018

IIT Bombay launched a campus to corporate initiative in association with Corporates. The focus of this initiative is to prepare engineering students to transition from the informal campus environment to a formal corporate environment. Under this initiative, the courses are being conducted in a blended MOOC format. The program on **1. Soft Skills 2. Workplace Communication was conducted in the year 2017 and 3. Technical Skills 4. Financial Literacy were scheduled for the year 2018.**

The MOOC course on Financial Literacy was conducted during **Jan - Feb 2018**. The face to face component of this program was conducted on **Jan 27, Feb 3, 10 and 17, 2018**. These programs were organized at **Dronacharya Group of Institutions, Greater Noida** through ICT. B.Tech and MBA students enrolled in the course.

Day 1, January 27th 2018 (<https://www.youtube.com/watch?v=WMR-XVrmvUI>)

The first Face to Face component was conducted on **Jan 27, 2018**. The program started with a session on **'Understanding Microeconomics'** by **Mr. S V D Nageswar Rao - Professor of Finance and Economics at School of Management – IITB**. He stated that it is very important to understand Micro and Macro Economics as it helps in better financial decision making. He stated the gaps in economic and business environment must be identified in order to identify new business opportunities. Not only that, the impact of Fiscal and Monetary policy must be ascertained too. If these policies are followed upon, the companies will be in better position to take preventive

Student Alumni Connect Programme

29th October 2018

The Department of CSE, CSIT & IT organized the Student Alumni Connect Programme on 29th October 2018 at Dronacharya Group of Institutions, Greater Noida. Mr. Adil Mohammad and Mr. Ankit Soni, DGI Alumni of Batch 2011-15, who have started their startup, visited the campus to interact with their Alma Matar.

Welcoming the Alumni, Prof. (Dr.) Ashish Soti, Hon'ble Director, DGI, Greater Noida said that the objective of such events was to connect the alumni with the current students which would help them to streamline their efforts towards their academic goal. The session was targeted for third year students of CSE with an objective to make them industry ready.

Mr. Adil started the session with a formal introduction about himself and shared how he alongwith Ankit thought of venturing into entrepreneurship. Based on his experience, he also shared some tips on how to start a business and various business building tactics.

Mr. Ankit explained the importance of Aptitude Tests in the placement process and also shared tips on how to attempt them.

Recalling their college days, Adil and Ankit advised the students to be ever grateful to their teachers. Adil said that teachers teach us far more than academic syllabus. They teach us life lessons and help us discover who we are and what motivates us to succeed. They help us become thoughtful and productive members of society.

Ankit too urged the students to be ever thankful to their teachers and appreciate their passion, hard work and dedication they put in to transform every single child into a worthy citizen.

The event concluded with memento presentation to the Alumni.

Mr. Rupam Bhagawati, Assistant Prof., Dept. of CSE. proposed the Vote of Thanks.

National Creativity Aptitude Test : 2019 (1st Round)

3/11/2019

The first round of **National Creativity Aptitude Test (NCAT) 2019** was held at **Dronacharya Group of Institutions, Greater Noida** on **March 11, 2019** under the aegis of **International Forum for Excellence in Higher Education (IFEHE)**.

National Creativity Aptitude Test has been designed to make students aware of the importance of creative thinking and to encourage them to use the same for various problem-solving exercises. This test helps students to assess their creative quotient as well as their level of achievement motivation.

164 students from First, Second and Third Year took the test to prove their mettle on all India level. The 1st round test questions were in the form of multiple choice questions that test a student's Quantitative Aptitude, Logical Reasoning, and Linguistic Skills. The result of the first round will be declared in the first week of **April 2019**.

Two top performers will be selected from each category to take the 2nd round of test at New Delhi. The 2nd round will have a mix of MCQs and subjective questions on creativity followed by an activity on achievement motivation

164 students from First, Second and Third Year students took the Aptitude Test

Project & Poster exhibition "Innovision-2019"

16th November 2019

Project & Poster exhibition "**Innovision-2019**" was organized at **DGI, Greater Noida** on **16th November 2019**. **Project competition** was open for students of **B.Tech III, V and VII Semester** and **Poster competition** for students of **B.Tech I Semester and MBA**.

The event was held for students to exhibit their knowledge and effort towards innovation and creativity. The theme of the competition, "**Innovation and Creativity**" has guided the students to develop systems which are required but not available in the market. Focus was also given towards disruptive innovations by students. The ultimate aim is to have thought and action both of which are essential ingredients for technological development. Emphasis was given on interdisciplinary projects leading to technology diffusion.

Following dignitaries graced the occasion as Guests of Honor and Judges.

- **Govind Sharma – Ex Chief - NRDC**
- **Gaurav Arora – Program Manager, Net Profits Cyber Works, Ltd.**
- **Lalit Chauhan – Sr. Software Engineer, Net Profits Cyber Works, Ltd.**

Prof. (Dr.) Ashish Soti, Director-DGI, welcomed the guests and addressed the students on doing creative and innovative projects. He emphasized that the students have gainfully translated their theoretical knowledge into practical aspects through the medium of this event. Engineers have to be application oriented and for this workmanship and hands on job is of utmost importance. Stress was laid on original thinking for simple systems to be developed for the benefit of social cause and community welfare.

Prof. TPN Singh, Advisor (R&D) thanked the dignitaries for their presence. Students were advised to prepare themselves for willingness to take risks and have the ability to tolerate ambiguities and uncertainties in their journey towards entrepreneurship. Opportunity recognition was stressed for being successful. He rendered a brief

description of the projects and posters on display and exhorted the students to excel in the areas of innovation and creativity.

The projects were divided into two groups namely hardware & software. Both the groups were evaluated for prizes on equal measure.

The evaluation committee consisted of two teams headed by **Mr. Govind Sharma for hardware projects and Mr. Gaurav Arora for Software projects**. A total of **28 projects and 10 posters** were on display by the departments.

The projects and posters were evaluated by the concerned teams in terms of innovativeness, content, societal value, commercial aspect and future scope. **Mr. Probeer Sahw**, HOD ECE announced the results.

All awardees received prize money, certificates and medals from the dignitaries. **Prof. TPN Singh** rendered the vote of thanks.

DRONACHARYA GROUP OF INSTITUTIONS GREATER NOIDA

ASCE student Chapter, Dronacharya Group of Institutions, Greater Noida organized a guest lecture on **“Career perspective in Construction Industry”** on **12th February 2020**. **Mr. Vinod Singh Sisodia**, Project Assistant, CIDC (**Construction Industry Development Council**) was the guest speaker for the lecture. Students of Civil Department along with faculty members attended the lecture.

The event started with the welcome speech by **Prof. Dr. Ashish Soti** (Director DGI) followed by the introduction of the guest speaker Mr. Sisodia.

Mr. Sisodia started with the brief introduction to the Construction Industry Development Programme. The Planning Commission, Government of India, jointly with the Indian construction industry has set up Construction Industry Development Council (CIDC) to take up activities for the development of the Indian construction industry.

Mr. Sisodia described the students the potential of the construction industry and how they can groom themselves to make their future bright. Speaker Mr. Sisodiya told students on-going opportunities and future projects in Indian construction Industry. Mr. Sisodiya also motivated the students to go for frequent site visits to have deep knowledge of practical work. He gave students the idea of ground situations that can arise during working on site. He also discussed various activities they can perform to improve the quality.

Next, he told the association of CIDC with various engineering societies like ACI, Engineering Council of India.

In the end there was question answer session between Mr. Sisodia and students.

The lecture concluded with presenting a token of thanks to the speaker Mr. Sisodia by Dr. Soti.

Webinar on Career Opportunity in Quality & Testing: Get Corporate Ready

13th August 2020

Dronacharya Group of Institutions, Greater Noida organized the online Webinar series of Get Corporate Ready on Career Opportunity in Quality & Testing.

The webinar was conducted on **13th August 2020**. The technical expert was **Ms. Saroj, Bharti Infratel Ltd (Airtel)** as Circle Quality Head, having 11 years of experience in different sectors like automobile, electronics manufacturing, NABL testing, defense sector manufacturing and telecom. She was welcomed by **Prof. (Dr.) Arpita Gupta - Director DGIGN**. After a short welcome speech, she handed over to the technical expert to took the charge.

She shared her experiences on Software Testing process of verifying a computer system/program to decide whether it meets the specified requirements and produces the desired results. As a result, one can identify the bugs in software product/project.

Software Testing is indispensable to provide a quality product without any bug or issue. It really helped the students to bridge the gap between Academics and Corporates.

The session ended with a vote of thanks.

Webinar on "Software Testing" under Alumni Talk

26th September 2020

Dronacharya Group of Institutions, Greater Noida organized a Webinar on "**Software Testing**" under Alumni Talk on **26th September, 2020**.

Ms. Shiwangi Pokhriyal, Alumna of DGI, is presently working as **Software Engineer (Test), Siemens Technologies and Services Pvt. Ltd.**

She was welcomed by **Prof. (Dr.) Arpita Gupta - Director DGIGN**. After a short welcome speech, she handed over to our alumna to take the charge.

She shared her own experience and emerging technologies in the field of Software Testing, Also gave brief idea about the process involved. Basically software testing is the process of testing of bugs in lines of code of a program that can be performed by manual or automation testing. The theory of software testing involves problem definitions of testing such as test team, failure after testing, manual testing, uncertainty principle, participation,

Session on C+ DS+ ALGO

29th June 2021

Dronacharya Group of Institutions, Greater Noida under the banner preparing students for ISRO Recruitment organized session on **C+ DS+ ALGO** on **29th June 2021**. **Prof. Yashwardhan Soni** was the mentor of the session.

The objective of the session was to guide how to prepare for the ISRO recruitment.

Indian Space Research Organization (ISRO) is the space agency of the Government of India. ISRO is engaged in Research and Development activities in development of Space Application, Space Science and Technology for the benefit of society at large and for serving the nation by achieving self-reliance and developing capacity to design and build Launch Vehicles and Communication/Remote Sensing Satellites and thereafter launch them. Every year ISRO recruits ECE, ME, EEE and CSE Department students for the post of scientist.

Prof. Soni started the session with the explanation of basics of the C Programming. Next he explained some of the important related topics - Recursion. Arrays, stacks, queues, linked lists, trees, binary search trees, binary heaps, graphs. Moving the session further he explained to the students' basics of Algorithms and topics to prepare in algorithms according to the pattern asked in the examination. He also told students to prepare for the topics based on their weightage in the question papers. He suggested students to solve as many previous year question papers as possible to understand the type of questions asked in the examinations.

Overall it was an informative session for the students.
