Internal Quality Assurance Cell

About IQAC:

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

The Objectives of the IQAC are

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Subject: Confirmation of details of DRONACHARYA GROUP OF INSTITUTIONS(IR17-I-1-11156)(MS)

Dear Nodal Officer,

Greetings from NIRF!

You had submitted data for India Ranking 2017, it is informed that in order to further process your application, **you are requested to confirm that the information mentioned under the DCS heading "Median Salary" for the UG and PG program in Placement and Higher Studies on urgent basis.**

To facilitate the institution to correct this data, we have created a page in DCS in which after login with your respective disciplines ID you have to either confirm or edit the median salary for the programs entered earlier. The page will be available in DCS from 17th February 2017 to 20th February 2017 till 5pm. Failure in compliance on this may lead to either rejection of your data, or its substitution by NIRF by a value to be computed by NIRF through its own strategy of correction. In the later case, the decision of NIRF will be final.

We are also enclosing a note below on how to calculate the Median salary of your graduates.

Note on Calculating the Median Value:-

The median is the middle value of a series of values laid out in ascending order. It's the middle point of the data set. Half of the values will be less than the median, and half will be higher than the median. Let's use the same example of the salaries above to determine the median.

The first step in determining a median is to put the values in order from lowest to highest. So our list of data would look like this:

1. If there is an odd number of numbers in this set, the middle one is picked.
For Ex: - Rs. 3,00000 , Rs. 4,00000, Rs. 5,00000, Rs. 5,90000, Rs. 6,80000, Rs. 7,00000, Rs. 7,50000
This set contains seven (7) numbers. The median is the fourth of them, which is 5,90000.
2. If there is an even number of numbers in this set, then there is no single middle value, then median is defined to be the mean of the two middle values.
For Ex:- Rs. 3,00000, Rs. 4,00000, Rs. 5,00000, Rs. 5,90000, Rs. 6,80000 , Rs. 7,00000, Rs. 7,50000, Rs. 8,00000
This set contains eight (8) numbers. Then the median will be the average of the middle two values i.e $(590000+680000)/2 = 635000$

Please note that 'data authenticity and appropriate entry' is the responsibility of the applicant institution.

We look forward to your continued support and co-operation for an effective implementation of the mission of NIRF.

Regards,
Team NIRF.

Subject: India Rankings 2018

Dear Sir/Madam,

Greetings!

National Institutional Ranking Framework (NIRF) for Higher Education Institutions was launched in 2015. The first two editions of India Rankings were announced in April 2016 and April 2017, respectively.

NIRF now proposes to initiate the ranking exercise for India Rankings 2018, the 3rd edition of this annual exercise.

Institutions who have participated in the earlier ranking and also those who have submitted the data to All India Survey on Higher Education (AISHE) 2017 have been pre-registered. The data of AISHE has been scrutinized and you have been selected to participate for the 3rd edition of rankings.

NIRF would like to invite you to complete the registration by clicking on the link below
Registration Link.

(If the link does not work, copy paste below URL in the browser and proceed.

<https://www.nirfindia.org/ir2018/PreRegistration/NirfPreRegistrationAuthenticationLink?i=uMFiRvRNezdHm6W4PjIWA==>)

and indicate the discipline(s) you wish to participate in India Rankings 2018. The deadline for registration process is 6th October, 2017. In case of any query or help, you are requested to contact us on techsupport@nirfindia.org or call on +91 79 2326 8247.

Registered institutions are also requested to provide data as relevant to India Rankings 2018 in a format to be made available on a Data Capture Portal.

With regards,
Team NIRF
