

## Grievance Redressal Committee

The Grievance Redressal Cell has been established in the college to redress any grievances by the staff or students expeditiously.

Students Grievance Committee addresses the problems of the students, which they are facing in the campus. This committee aims to provide students a platform where they can share their academic and other miscellaneous problems and seek the best advice. The committee ensures at the end that the student is satisfied and happy. Student interaction with the committee members will remain highly confidential and undisclosed.
